Salado ISD names new superintendent

Dr. Robin Wuebker-Battershell was introduced as the new Salado ISD Superintendent during the Taco Supper and Open House at Thomas Arnold Elementary School.

The board voted 7-0 earlier in the evening to offer Dr. Wuebker-Battershell a two-year contract at \$62,000 per year.

Dr. Battershell will begin work at Salado ISD on April 27.

Before being named Salado ISD Superintendent, Dr. Battershell was Executive Director of the Greater Ft. Hood Area Communities in Schools Program.

"We are delighted that Dr. Battershell has accepted the Board's offer to be the new Superintendent in Salado," stated Sara Mackie, president of Salado ISD board of trustees. "We had a lengthy and exhaustive search process and had the opportunity to evaluate many excellent candidates. Robin's qualifications were

outstanding and our choice was unanimous."

"The Board believes she has the vision, skills, knowledge and enthusiasm to lead our district into the 21st century," Mackie stated. "We are truly excited about the opportunity to work with her."

Dr. Robin Wuebker-Battershell

Dr. Battershell received her BA in Elementary education from Texas Tech University, her Masters in Education Psychology from the University of Houston and her Doctorate in Education Administration from Baylor University.

She started her career as a teacher in the Houston ISD and Pasadena school districts, has served as a counselor at the University of Houston, and as a Special Education Counselor, Special Education Coordinator, Coordinator of Special program and Interim Director of Curriculum in Killeen ISD.

She currently serves as Programs and Interim Director of

professor at University of Mary Hardin-Baylor.

Dr. Battershell has been very active in her profession and community including several speaking engagements

Primary runoffs April 14, early voting ends April 9

Early voting in the primary runoff elections for both Democrat and Republican parties continues until April 9 at the Bell County Courthouse 8 a.m.-5 p.m.

Election day voting will be at the Salado Civic Center on N. Main St. 7 a.m.-7 p.m. April 14 for both Democrats and Republicans in precincts 203, 205 and 403.

Village cleanup April 23, to begin at Pace Park

The Environs Committee of the Salado Chamber of Commerce and the Salado Creek Preservation Committee will join members of the 1st Battalion, 4th Aviation Regiment at Fort Hood in a village cleanup 8:30-11:30 a.m. April 23.

Volunteers will meet at Pace Park and pick up litter along Main Street and Pace Park, as well as paint posts in the park.

Those wishing to help out can come by for coffee and doughnuts, before starting out.

Nationwide: SHS Strutters ranked in top #10

by John Eubanks

The Salado High Strutters drill team has earned the right to call itself one of the nation's top 10 drills teams in Class 3A and smaller.

The nationally ranked Strutters received a Division I rating in all of the team categories at the American Dance/Drill Team National Championships March 27-28 at the University of North Texas in Denton.

The Strutters competed in five events: prop, novelty, kick and two solos. The Division I rating resulted in a sweepstakes trophy.

The Strutters also received the coveted Gussie Nell Davis Award of Excellence, which is given to teams that receive scores of 90 or above from all three judges in all three team categories.

Rachel McGregor and Shelly Dillon received Division I ratings for their solos.

Other members of the team are Melissa Rivers, Becky Wilson, Lara Lee and manager

Salado Strutters shown above with their national award are these: (from left) Rachel McGregor, Chelly Dillon, manager,

Melissa Rivers, Becky Wilson, Christinua Fuhs, Colonel, Lara Lee, Chantal Dalton, Manager.

Chantal Dalton. Fuhs holds the rank of colonel; Dillon is a major.

The drill team director is Melinda Danford. She took over the program in Jan. 1997.

A former member of the prestigious Strutters drill team at Southwest Texas State, Danford was the first sponsor of the Salado Strutters with dance experience.

Her goal at SHS was to build upon what was already here. She had already worked with some of the girls at her dance studio in Salado.

"I knew the talent was

here," she said. "I just wanted to make it visible."

Jerry Craft breaks color barrier in black baseball

by Tumbleweed Smith

Jerry Craft of Jacksboro was a good baseball pitcher when he was attending Texas Tech in the late fifties. During the summers he played for semipro teams. "In those days we took money and didn't know we weren't supposed to," says Jerry. "Playing college ball, nobody said anything anyway."

One day he got a call from a Mr. Sudbury who told Jerry he wanted him to pitch for the Graham All-Stars at the rate of \$75 a game. Jerry agreed to meet him at the ballpark in Abilene where the next game was to be played.

When he arrived at the ballpark, he saw it was filled with black people. Jerry thought he had the wrong address and started to leave when a man wearing a suit and hat walked up to Jerry and asked, "Mr. Craft?" Jerry replied, "Yes." The man told Jerry, "I'm Mr. Sudbury. You didn't know I was black, did you?" Jerry said "No." Mr. Sudbury said, "Does it make any difference?" Jerry said, "Not if you can play ball."

Jerry spent two summers playing for the team. "They were two of the best summers of my life," says Jerry. He pitched only three losing games.

He played in the West Texas Colored League. Other teams were the Abilene Blues, the Granfield, Oklahoma Zebras, Hamlin Pied Pipers and the Waco Tigers. Jerry was the only white player in the league.

Once at an all-black restaurant, the owner refused to serve Jerry. So the entire team went somewhere else. Jerry told his team mates that had never happened to

him before. They replied, "Welcome to the world, white boy."

Many of the places where the games took place were in poor shape. One of them had a loose pitcher's rubber and Jerry complained to Mr. Sudbury who asked the manager of the home team to nail it down. The opposing team's manager asked the team captain to get a hammer and fix it. The captain said he didn't do things like that. An argument ensued and soon the captain was chasing the manager with a hatchet. Players scattered. People in the stands were betting on who would win. Finally the two participants fell down, exhausted. Somebody brought them beers and they drank them and that was the end of it. The game started.

In one game the players on the opposing team stood with both feet on home plate. Jerry went up to the umpire and told him the players were not allowed to stand on home plate while they were batting. They were supposed to be in the batter's box. The umpire asked, "What's a batters box? You just throw the ball." Jerry walked the first batter.

Mr. Sudbury called time out and told Jerry to hit the next batter on the head with the ball. Jerry compromised and said he would hit him in the shoulder. Just as the ball approached the player, he turned and the ball hit him in the chest, knocking him out. When he came to, he staggered down to first base. The next batter stood way away from the plate. Jerry threw curve balls and struck him out. He pitched a no-hitter that day because nobody would get near the plate.

Jerry enjoyed his two seasons with the Graham All-Stars.

Writer predicts no impeachment, no resignation from President

If you have been following the goings-on in Washington between President Clinton, Special Prosecutor Ken Starr and a host of congressional gad-flies, all with opinions that cover the water-front, you know there is much talk about indictments, resignations and/or impeachment.

This is just talk-talk and nothing more. There is not going to be any resignation by the President. And there is not going to be any impeachment proceedings coming out of the Republican controlled House of Representatives!

House GOPers may be mean spirited but they ain't stupid. Not one of them, in their right mind, would want to move Clinton out and Gore in - thus giving the Veep a two year in-house advantage in the election of 2000.

What these conservatives do want, and no doubt will get, is two and a half years of consistent denigration of the President in particular, and Democrats in general, thus hoping the harping will rub off on Gore and stymie his chances of a win in the big sweepstakes at the turn of the century.

GOPers have orchestrated a two pronged attack plan. Keep the heat turned up on the Pres while at the same time searching for a candidate with a modicum of moderation; a sense of decency towards the needy and not the greedy; a tad of sex appeal that seems so important these days and some way to balance the triangulation type love affair of tax reductions, balanced budgets and debt reduction, all without seeming to take from the middle class to benefit the wealthy influentialists - a feat tantamount to Harry Houdini's final act of legerdemain back in 1926.

If such a Republican can be discovered, he will be a shooin as the next White House ten-

ant.
Oh yes, and lest we forget, the Grand Old Party leaders also need to at least temporarily deep six the abortion matter and hide the religious zealotites - otherwise they will do what Demos are famous for in days gone by - Diatribe, Distrust, Division and Defeat - sometimes called the Four Horsemen of The Democratic Party's Apocalypse!

GOPers have a better than even chance of winning the "big enchilada", as one of their not-so-favorite sons - "Tricky" Dickie Nixon, used to tell his tapes, but they are going to have to toss a wider net since many of the current crop of wannabes are from the same old gang who couldn't find the 1992-96 rest room without a seeing eye dog.

COUNTY GOOFS AGAIN IN TAX ABATEMENTS

Bell County Commissioner's Court, in a split vote on March 23, approved tax abatements for three county companies including Custom Printing of Belton; Tenneco Packaging and the Performance Food Group, Temple.

Commissioners taking the high, and proper, road in this matter and voting "no" to this **unusual form of corporate welfare** were Tim Brown, Precinct 2 (Salado) and Leroy Schiller, Precinct 3, which includes Temple.

Judge John Garth cast the deciding tally in the 3-2 decision, as he intoned the age old bromide that if tax reductions are not granted then companies might move to greener pastures.

This is shortsighted foolishness, as this column has

pointed out for years, and once again the question has to be asked: "Will Tenneco, PFG and Custom Printing sign a legally binding document guaranteeing they will stay in place for the four to ten year duration of the tax abatements?"

Answer, of course, is a resounding "NO"!

Companies that demand relief from paying taxes have about as much loyalty to their communities as major league baseball and football teams.

Give them a few extra incentive bucks and they will move to the far side of the moon with about as much regret as Lizzie Borden had for her folks.

Brown and Schiller are to be highly commended for their stand on the matter and the rest of us, who will have to eventually pick up the lost revenue, should make it known to our county officials that this is not good public policy nor sound fiscal responsibility, to give away taxes to large companies that demand preferential treatment.

You can't say tax giveaways are needed because times are tough or markets flat. Not in today's high powered economy. Fact is, they couldn't be better. Profits are soaring. Employment is at an all time high. The basic economic signals are strong and bright.

Reason for tax breaks therefore becomes pure and simple - a greedy desire for higher profit-taking at the expense of taxpayers.

Phooey on giving in to the threat of relocation. Let these companies move away if they want to and see how happy they will be when they land in a community or state that has an income, sales, property and franchise tax that makes our modest rates in Bell County and Texas seem delightfully beckoning and charitably low.

Salado Public Library big success story

by Luther Brewer

The Salado Public Library is a big success story — its success a consequence of vision, loyal patrons, hard work by volunteers, many fund-raisers, grant monies, generous assistance from the School District, and gifts from friends. More than 1000 Salado adults have a library card, and all the Village's children also have free access to the collection. Ten to fifteen new patrons apply for a card each month.

But we find ourselves with costs rising faster than income, with only halftime coverage by a professional librarian, open just 25 hours a week, cramped for space, and with too few

programs for preschoolers and students. We are extraordinarily dependent on (and exceedingly grateful for) the 34 volunteers who work the library desk, process the new books, staff our book sales, and handle a whole variety of other tasks.

The table adjacent to this story shows how our library compares with others in central Texas communities of similar size. You will note that we are way below average in every one of these important measurements.

The library's 1998 budget is a breakeven one — with \$29,400 in income and \$29,400 in projected expenses. Cash reserves are just \$24,000. And the library receives no tax

support at this time.

The budget contains only \$3,500 for the purchase of books. (Fortunately, this year we did receive a grant from the Tocker Fund for the purchase of children's books and computer equipment.)

If the voters approve the creation of a Library District with a ½-cent sales tax on May 2, that sales tax will generate more than \$75,000 a year to support the Public Library. The tax will not apply to groceries, gasoline, prescription drugs and medical bills; it will fall mainly on Salado's tourists (but only then to the tune of an extra 5 cents on every \$10

purchase). That tax cannot be set any higher than 1/2-cent.

That sort of tax 'income' along with gifts from Library friends would allow professional librarian staffing of 1.5 full time employees, including a halftime children's librarian. With that sort of staffing and with continuing help from volunteers, the Library's hours of operation can expand dramatically, and its children's programs can multiply. Its budget for books, tapes, periodicals and computer software can quadruple. And about \$10,000 can be added to reserves, savings that can be used in the future to help pay for

additional space.

The current Library Board of Directors is wholeheartedly behind the creation of a Library District. And if the voters approve the District, that Board will transfer the Library's assets to the District and then dissolve itself. Unpaid Trustees, each elected by the registered voters of the District and each serving a two-year term, will then govern the District. Three members of the present Library's Board (Lynn Epps, B.J. McConnell, Susan

Schobe) and Library volunteers (Carolyn Britt, Luther Brewer) have agreed to run for the 5 places on the new District's Board.

With a dependable base of tax support, we have the opportunity to go from a good library, one that has achieved mightily under many constraints—to an absolutely first class library, a library that will serve Salado well, a library that can grow as the Village grows, a library of which Salado can be very proud.

OVERHEARD IN SALADO

Mail delivery is causing folks a few mind boggling problems now that some of us have been given new street addresses. Some even have two numbers on their home postal boxes since they get mail both ways - old and new.

Pin-pointing this problem was a quote by Marvin Larsen, one of our veteran citizens, made at the local Post Office one day last week. Seems Citizen Larsen asked for some IRS forms and was told the tax folks had not sent the Salado PO any supplies this year.

Larsen's quip was pithy and to the point: "Guess the IRS sent them to the post office's street address and they never got delivered!"

WISH I'D SAID THAT!

As many of you know, Jessie Jackson accompanied the President on his recent grand tour of Africa. Jackson is currently touted as Clinton's "spiritual adviser" (whatever that means), however even with this strange new moniker, the reason for taking Jessie along did seem a bit suspect.

Since the "Rev" got back in one piece there is now no question that he had a return ticket on Air Force One, despite certain local wags who were hopefully predicting otherwise.

Maureen Dowd, columnist for the New York Times, and one of my favorites, described Jackson, in her piece on March 26, as "the (premier) ambulance chaser of American politics."

Wish I'd said that!

of competition last spring at the Heart of Texas meet in Temple. Although the girls competed in just one dance competition, they still earned a Division I rating.

Needless to say, the girls were excited about their performance. As the team headed out of the parking lot, the girls vowed to compete again.

"They wanted to do it all," Danford said.

The team went back to the same meet this year and garnered five Division I ratings in three dances and two solos.

The girls also won a Judge's Novelty Award for their performance dressed as clowns.

The Strutters were singled out from among the 15 to 20 teams, for their achievement in the classroom as well. Of the schools that performed in three team events, Salado had the highest grade point average.

At Nationals in Denton, Salado was the only team from Central Texas in its division, Danford said.

Some of the larger schools were intimidating, but Danford assured the girls they would not be competing against them.

Danford noted that one coach of a Class 5A school told her that the team is allotted \$10,000 per dance -- and the team competes in three dances.

"It's a business at that level," Danford said.

Some of the big schools' props were so big, that to get them through the tunnel to the coliseum floor, they "had to be sawed in half and reassembled inside," Danford said.

The Strutters have finished competing this season but will hold their annual fund-raiser April 25 at the cafeteria.

The team will combine its talents with those of the drama department under Gary Askins and Rinda Wesson's art department to present the Strutter spring show, "Are we there, yet?"

Tickets are available at the door.

The Strutters will hold a clinic May 6-7, followed by tryouts May 8. The team will be limited to 20 girls, Danford said.

This summer the team will hold two four-days camps and work a total of five weeks in preparation for the upcoming school year.

The summer will be spent choreographing the routines, because when school starts, the team will have only four days during the school week to learn two dances. One dance will be done during the pep rally and the other will be done during half-time of football games.

AMENDED PUBLIC NOTICE

Central Telephone Company of Texas dba Sprint (Sprint) has filed an amended petition with the Public Utility Commission of Texas (PUC) to change the increase for Expanded Local Calling (ELC) from 34 cents to 41 cents per month per customer line to recover costs for providing the service. This amended petition is submitted under PUC Substantive Rule 23.49 (c) (12) which implements Senate bill 632, 73rd Legislature-Regular Session.

Prior to October 4, 1997, Sprint's local telephone customers paid a \$1.15 fee per month per line to recover ELC costs. Since October 4, 1997, Sprint's local telephone customers have paid an additional 34 cents per month per line to recover ELC costs, a charge which was approved by the PUC on an interim basis. If the amended petition is approved by the PUC, the rate would increase by 7 cents, for a total additional fee of 41 cents. This means that the current fee will increase from a previously approved \$1.49 per month per line to \$1.56 per month per line.

Sprint will continue to collect the previously approved additional monthly amount of 34 cents per line on an interim basis. If the request for the 41 cents per month per line fee is not approved by the PUC, Sprint will increase to the PUC approved amount or refund the appropriate amount if the approved amount is less than 34 cents.

If approved by the PUC, the \$1.56 per month fee would not be billed to customers who currently are paying the maximum charge of \$3.50 for a residential customer or \$7.00 for a business customer.

ELC was created in 1993 by Texas legislation that requires telephone companies to provide toll-free calling between small towns that share a community of interest such as a school or a hospital district. The legislation allows telephone companies to recover costs not paid through customer charges by applying a surcharge to all other customers in the state who do not receive the ELC service, or who do not pay the maximum ELC rate. The maximum monthly ELC rate allowed under state law is \$3.50 per line for residential customers and \$7.00 per line for business customers.

Sprint estimates that the additional monthly fee of 41 cents per month per line will recover the \$817,454.28 in lost revenues and reimburse Sprint for the increased cost of providing ELC service between April 2, 1996 and December 11, 1997.

For questions about the reasons for this charge, please call Sprint at 1-800-788-3500.

The PUC has assigned Docket No. 17809. Persons who wish to intervene in or comment on these proceedings should notify the PUC no later than June 10, 1998. All requests to intervene should be mailed to the Public Utility Commission of Texas, 1701 N. Congress Ave., P.O. Box 13326, Austin, TX 78711-3326. For information on intervening, please call the PUC at 1-888-782-8477 or 512-936-7120. Hearing and speech-impaired individuals with text telephones (TTY) may contact the PUC at 512-936-7136.

ACTA N° 17809

NOTIFICACIÓN PÚBLICA ENMENDADA

La Central Telephone Company of Texas, que realiza sus operaciones comerciales con el nombre de Sprint (Sprint), ha presentado una solicitud enmendada ante la Comisión de Servicios Públicos de Texas (PUC) para modificar el incremento al Servicio Ampliado de Llamadas Locales Exentas de Cargos (ELC) de 34 centavos a 41 centavos mensuales por línea cliente, con el propósito de recuperar los costos de proveer este servicio. La solicitud enmendada se presenta según la Regla Sustantiva 23.49(c)(12) de la PUC, que implanta el proyecto de ley 632 de la Sesión Ordinaria de la 73ª Legislatura del Senado.

Antes del 4 de octubre de 1997, los clientes de servicios telefónicos locales de Sprint pagaban una cuota mensual de \$1.15 por línea para recuperar los costos del ELC. A partir del 4 de octubre de 1997, los clientes de servicios de servicios telefónicos locales de Sprint han tenido que pagar 34 centavos adicionales por línea cada mes para que la compañía pueda recuperar los costos del ELC, un cargo que fue autorizado por la PUC de manera provisoria. Si la solicitud enmendada recibe la aprobación de la PUC, la cuota aumentará 7 centavos, para una cuota adicional total de 41 centavos. Esto significa que la cuota actual aumentará de la cantidad previamente aprobada de \$1.49 por mes por línea a \$1.56 por mes por línea.

Sprint seguirá cobrando la cantidad adicional mensual previamente aprobada, de 34 centavos por línea, de manera provisoria. Si la solicitud del incremento de la cuota a 41 centavos mensuales por línea no es aprobada por la PUC, Sprint aplicará el aumento aprobado por la PUC o reembolsará a los clientes la cantidad apropiada si el aumento aprobado es menos de 34 centavos.

Si la solicitud de incremento es aprobada por la PUC, el cargo mensual de \$1.56 no será facturado a los clientes que actualmente pagan el cargo máximo de \$3.50 por cliente residencial o de \$7.00 por cliente comercial.

El ELC fue creado en 1993 como resultado de la ley del estado de Texas que requiere que las compañías telefónicas provean llamadas sin cargos por larga distancia entre poblaciones pequeñas que comparten intereses comunitarios, tal como una escuela o un hospital de distrito. La ley permite que las compañías telefónicas recuperen los costos no pagados a través de cargos a los clientes mediante la aplicación de un cargo adicional a los demás clientes del estado que no reciben el servicio ELC o que no paguen la cuota máxima del ELC. La cuota máxima mensual por el servicio ELC permitida por las leyes estatales es de \$3.50 por línea residencial y de \$7.00 por línea comercial.

Sprint calcula que la cuota mensual adicional de 41 centavos por línea le permitirá recuperar los \$817,454.28 en ingresos perdidos y le reembolsará a Sprint el costo adicional en el que incurrió por proveer el servicio ELC entre el 2 de abril de 1996 y el 11 de diciembre de 1997.

Si tiene alguna pregunta sobre las razones de este cargo, por favor llame a Sprint, al 1-800-788-3500.

Amie Rebecca Gillespie weds Brian Alan Hagen

Amie Rebecca Gillespie of Bryan became the bride of Brian Alan Hagen, also of Bryan, in a double-ring ceremony March 14 at the Church of Jesus Christ of Latter-day Saints Temple in Dallas.

The bride is the daughter of Earl and Debi Gillespie of Belton. The bridegroom is the son of William and Lesley Hagen of Houston.

The bride wore a gown of white satin peau-de-soie and beaded lace with a modified Sabrina neckline that flowed into short sleeves. The entire bodice was lace covered with a pointed basque waist and fully box-pleated skirt. The sculptured cutout back was trimmed with beaded lace and a large bow at the waist featured floor-length English net streamers trimmed with beaded lace.

Maid of honor was Emily Griffith of Houston. Brides-

Mrs. Brian Alan Hagen, formerly Amie Rebecca Gillespie

maids were Vicki Vrana of Rosebud, Shannon Dungan of Rockdale, Angela Jones of Bryan and Danielle Groccia of Houston.

Best man was Bobby Hagen, brother of the groom, of Austin. Groomsmen were Zach Glover of Houston, Elliott Jones of Bryan, and Ryan Gillespie and Evan Gillespie, brothers of the bride of Belton.

A reception followed at the Church of Jesus Christ of Latter-day Saints, Temple, and the Hagen residence in Houston.

Easter Sunday April 12 offers two worship services, a "Sonrise" service at 6 a.m. and an Easter Celebration service at 10:15 a.m.

An Easter breakfast will be served by the Junior and Senior High Youth Group at 7:30 a.m.

Other Easter activities are planned for the children 9-10 a.m., including an Easter Egg Hunt for children from two years of age to first grade and second and third grade with a pinta for grades four and five.

Children are asked to bring a basket or sack for gathering eggs and candy.

Everyone is invited, especially if you are currently without a church home.

SHS wins UIL Sweepstakes

Salado High School captured the District 26-2A Academic Championship in competition March 30 and April 4 at Lago Vista.

Salado outscored host Lago Vista High 367-340 in sweepstakes points. Points are awarded to the top six individual finishers in each event, on a 15-12-10-8-6-4 scale.

First place in team events is worth 10 points. Only first-place teams receive points.

Coordinator Dennis Cabaniss said Salado's "outstanding senior class" led the way to the championship as seniors recorded first-place finishes in seven individual contests.

Sixty-three SHS students participated in the competition. Those who placed first, second and third in individual events qualify for the Region IV-AA Academic Meet April 25 at Southwest Texas State University in San Marcos.

"I'm pleased with the number of students who participated," Cabaniss said, noting that Salado was entered in 20 of 22 possible contests.

"When you think of the number of activities the students are involved in, and for them to find time to participate in these contests and do as well as they did, it's commendable and says a lot about the students and the standards they set for themselves."

Salado finished second at the Regional Meet in 1997, second at the State Meet in 1996 and won the State Meet in 1995.

SHS softball team aims for shot at playoffs

The Salado High softball team swept a doubleheader at Rogers March 31, winning the first game, 14-4, and the nightcap, 27-21.

The Lady Eagles, 14-6 overall, were second in district with a 7-1 mark entering a crucial doubleheader with third-place Hutto (6-2) April 7.

A sweep of Hutto (results were unavailable at press time) would all but assure Salado of a playoff spot. The top two teams in district advance to the playoffs.

Salado ends the regular sea-

son April 14 at district leader Holland.

Last year, Salado lost to eventual district champ Holland, 15-9, 12-0.

Holland scored as many runs in those two games as Salado did in one game against Rogers in the aforementioned doubleheader.

Shelly Dillon was the winning pitcher in both games with Rogers. She relieved Stacey Krueger in game two, after the umpire ruled that her footwork on her wind-up was illegal.

Dillon, who pitched seven

innings in game one, worked overtime in the 10-inning nightcap.

The game was tied 15-15 after the regulation seven innings.

Sommer Wilson and Sarah Buchanan each scored four runs. Wilson and Nikki Jackson were credited with five hits each. Buchanan had four, and Krueger and Dillon each had three.

Krueger had four hits in game one, while Buchanan and Martha Soto each had three.

Girls golf team 2nd at district; Lori Matthews medalist

The Salado High girls golf team took second at the District 26-2A tournament April 6 at Salado's Mill Creek Country Club, as SHS junior Lori Matthews took medalist honors.

Salado shot a 438, 17 strokes behind winner Lago Vista. Both teams will advance to the regional tournament later this month.

Matthews shot an impressive 88, including a sizzling 39 on the front nine. Her 18-hole total was 14 strokes better than runner-up Rebecca Wald of Lago Vista. She shot a 102.

Team Totals

Lago Vista	421
Salado	438
Salado	
Lori Matthews	39-49 88

Shellie Grimm	58-54	112
Micky Rosanky	61-54	115
Tessa Schreiner	63-60	123
Jeni Hanson	63-62	125

Holland medalist: Ashley Camden (56-57) 113.

On March 30, the Salado girls placed third at the Mart Invitational, which featured more than 10 teams. Salado shot a 401. Matthews was third medalist with a 92.

Grimm shot a 98, Rosanky a 101, Schreiner a 110 and Hanson a 116.

Girls track team third at Florence with pair of firsts

The Salado High girls track team placed third at a meet in Florence April 4.

Salado scored 72 points. District foes Hutto (140) and Florence (107) took first and second. District foes Holland (50), Rogers (46) and Lago Vista (46) rounded out the top six. Another district foe, Jarrell, was 10th with 22 points.

The district meet will also be held in Florence, on April 16.

Melissa Matthews placed

first in the 300 hurdles (50.57) and third in the 100 hurdles (18.02). Laura Schatte won the 1,600 run (6:17.68) and was second in the 3,200 ((14:00.63).

Marisa Scully was third in the 800 (2:45.02). Shellie Grimm was fifth in the triple jump (31-2 3/4). Chrystal Whiteley was fourth in the 200 (29.15). Adrienne Akins was fourth in the 400 (1:07.47) and Sarah Buchanan was fifth (1:08:89).

The 1,600-meter relay team

placed third as Nikki Jackson, Akins, Buchanan and Scully ran a 4:35.75. Coach John Black said he will run the 400 and 800 relay teams at the Rogers meet April 9 in preparation for the district meet.

In the JV division at Florence, Hope Buchanan was second in the 400, Becky Wilson was third in the 200 and fourth in the 100, Jeanna Worden was fourth in the 400 and Angelica Llanas was fifth in the 3,200.

Salado JV pitcher Troy Smith fires away as a Rogers runner on third prepares to head home.

Baseball team loses to Hutto by 10, bounces back vs. Jarrell, 14-0

The Salado Eagles baseball team bounced back from its worst loss of the season to defeat Jarrell 14-0 April 3 at home.

The Eagles, 10-2 overall, took a 3-1 district mark into their April 9 district game at Lago Vista. They play at Bremond April 10 in a non-district game and then wrap up the first round of district play April 14 at home against Holland.

The tables were turned on the Eagles in a 12-2 loss at Hutto March 31. It was Salado's first loss in district play since before last year.

The Eagles had scored 40 runs in their first two district games, but it was Salado that found itself on the short end of the five-inning game halted by the 10-run rule.

The District 26-2A game between defending district champ Salado and the state's eighth-ranked Hippos was supposed to be a close battle. It was -- for four innings.

Salado drew first blood on David Kirk's towering home run for a quick 1-0 lead.

Hutto took a 2-1 lead in the bottom of the second. Two walks, a single and a Salado error accounted for the runs.

The Eagles tied it up at 2-2 with a run in the top of the third. David Palmer had a one-out single and moved to second as his hit was misplayed.

After a Kirk single put runners at the corners, Chris Michna's delivered Salado's third consecutive hit to knot the score.

Hutto scored two more runs in the bottom of the fourth. A leadoff homer and a steal of home on a double steal gave the Hippos a 4-2 advantage.

Hutto put the game away in the bottom of the fifth. Two Salado errors, two walks and four Hippo hits accounted for

their final eight runs.

Kirk and Michna both went 2-for-3 on the night, while Chad Kiphart was 1-for-1.

The Eagles came back three days later to soundly defeat Jarrell's Cougars, showing no ill effects of their embarrassing loss to Hutto.

Salado scored two runs in the bottom of the first inning and never looked back. Paul Mashburn walked and stole second. He moved to third on Palmer's groundout and scored on Kirk's scorching double off the left-center field wall. Kevin Keller, running for Kirk, stole third and scored on Michna's single.

In the bottom of the second inning, consecutive singles by Dan Alcozar, Adam Nuse and Courtney Dodge to start the inning, got the Eagles rolling en route to a nine-run inning. Three walks, doubles by Micha and Jon Phelps and another Nuse single produced the nine runs.

Both teams were quiet in the third inning but Phelps led off the bottom of the fourth with a triple. Doubles by Nuse and Dodge and a single by Palmer accounted for the final three runs of the game.

Boys track team 4th at Florence; Oldham scores 16 of team's 40 points

The Salado High boys track team placed fourth at a meet in Florence April 2.

Drew Oldham accounted for 16 of the team's 40 points with second-place finishes in the triple jump (41-5) and long jump (20-8 1/2).

He also ran a leg of the fourth-place 400-meter relay team, which includes Taylor Hutton, Robin Culp and Tim Combs. Their time was 45.61.

Culp placed fourth in the 200 (24.33), Troy Smith was

Nuse went 3-for-3 on the night. Dodge, Phelps and Michna all added two hits each.

Phelps also collected his fourth victory of the year on the mound for the Eagles. He went the distance in the five-inning game, allowing only two hits and two walks while striking out nine.

FRESHMEN

The Salado freshmen defeated Jarrell, 7-1, in a rain-shortened home game March 30.

Winning pitcher Bryan McKee worked four innings, allowing a lone unearned run on a throwing error to third base.

Matt Gunter was 2-for-2 at the plate, with two doubles and two RBIs.

Saul Fraire was 1-for-2, with a single. Cole Wolff was 1-for-2 with a single and an RBI. Sam Daniel drew a bases-loaded walk for another RBI.

Donny Pipes was 1-for-2, with two RBIs on an error by the left fielder.

The team hosted Academy in a doubleheader April 6 (results were unavailable at press time).

fourth in the high jump (5-8), and Michael Gamble was third in the 1,600 (5:03.34).

The team's next meet is April 9 at Rogers. It is the final tuneup before the District 26-2A meet April 16 at Florence.

Coach Ken Barrow said his goal at the district meet is to have many kids as possible qualify for the regional meet. The top two finishers in each event at district advance to regionals.

PIPs squeak sneakers

Fifteen Salado Players in Progress competed in the National PIP Festival held March 13-14 at Baylor University. The Pips performed a mini-group routine, duos, and trios, as well as competing in individual skills contests. 543 PiPs competed in this years festival from over 30 PiP groups. PiPs competed by age and experience level, PiPs is a ball handling skills group that performs at local basketball games, as well as special performances at college and professional games. Individual improvement is stressed as well as development of a hard work ethic, self-discipline, positive attitude, and teamwork. PiPs were coached by Natha Grigsby, Judy Marsh, and Regina Ward.

Salado PIPs preparing for Trio competition are (from left) Lauren Haire, Danielle Hazzard and Kelsey Williamson.

Awards were given out at a formal banquet at the end of the festival. First-third place medals were awarded and 4th-6th place certificates. All the PiPs worked extremely hard preparing for the festival and are to be commended for their fine results. Every Salado P.I.P. competing in the festival placed in at least one event. Considering that some events had almost 50 individual entrants their accomplishments are quite remarkable.

Boys golf team captures district title; Morris top medalist; Cameron wins playoff for 2nd

Salado High captured the District 26-2A boys golf tournament April 6 at Mill Creek Country Club, their home course.

Salado's A-squad shot a 314 to best second-place Lago Vista, which shot a 343. Both will advance to the regional tournament later this month. Salado's B-squad was third with a 345.

Salado's Ryan Morris won medalist honors with the low score among all golfers. His 73 was seven strokes better than the nearest competitor. He shot a 37 on the front nine and 36 on the back nine.

Three golfers ended regulation play tied for third with scores of 80: Salado's Blake Cameron and Matt Fisher and Lago Vista's Michael Martin.

Cameron won the sudden-death playoff on the first hole to finish second overall. Martin was third, and Fisher was fourth. Cameron and Fisher shot 38 and 39, respectively, on the back nine while Martin faltered with a 42.

Shawn Mitchell of Salado's

A-squad was fifth overall (81), and John McLaughlin of Salado's B-squad was sixth (83). Two Salado golfers tied for seventh with 84s: Ashley Jones of the A-squad and Brian Butscher of the B-squad.

The Salado Boy Scouts of America Bear Den I Pack 115 held its first Rocket Launch at Salado's Hodge Field this past month. As one of their projects this year, the boys worked diligently with their parents constructing their flying machine. All rockets were successfully launched high above the clouds on that Saturday, but Search and Recovery Personnel were only able to recover 11 of the 13 rockets launched. The Scouts had a great time learning about rocket flight and shared quality time with their parents. Scouts pictured are (from left) Jonny Kendall, Andrew Murray, Seth Foster, Adam, Patton, Logan Foster, Randy Stanley, Bobby Pinkston, Hunter Pappas, Tyler Correa, Jacob Meritt, and Tommy Schatte.

BSA Pack 115, Den 1 teams with SVFD to aid 911

The Boy Scouts of America, Pack 115, Den 1, has teamed up with the Salado Volunteer Fire Department in a dual effort to provide 911 reflective address signs for Salado and surrounding residents. This is a community service project as well as a fund-raiser for the local Boy Scout Troop. The signs are highly visible at night and during the day and serve as a community service project that allows a faster response time in locating a residence in an emergency situation. The recently mandated 911 -address change has left many with an improper address visible to emergency personnel. Money raised will help fund activities planned for 1998 and will allow for camping and other projects they will plan for in the near future. Please help your local Fire/Rescue Department find you in an emergency and your sign purchase will be helping the Boy Scouts as well.

The Salado Post Office will soon deliver your 911 address. Bring those numbers to the Brookshire Brothers Grocery

Tablerock Goodnight Amphitheater graciously accepted Community Service from the Salado Boy Scouts of America Bear Den I Pack 115, as they donated a part of their Saturday to begin preparation for a nature/hiking trail. The Scouts and their parents helped with litter pick-up, moved rocks and brush in order to prepare the half-mile trail that is under construction. The scouts were treated to an open fire wiener roast during lunch. Den Leader Rolly Correa stated, "I'm real proud of the boys and their parents for their hard work and willingness to do a good job. They didn't seem to mind the heat, sweat, and minor scratches associated with working a brush clearing detail. They are good scouts doing a good deed for Salado." This will be an ongoing community service project for the Salado Scouts. The President of Tablerock, Mrs. Jackie Mills, said that she is very thankful for the 20 scouts, parents and brothers who helped with this worthwhile project. "Once completed, the community will enjoy a nice outdoor nature trail that is right in our own backyard." Pictured here is Justin Pruitt, Rolly Correa, Dustin Correa and Aaron Blevins

DO YOUR LEGS MATCH?

Did you ever sit at a wobbly dining table in a restaurant? Perhaps your waiter tried to stabilize the table with a matchbook wedged under one leg; it takes some balancing before the table is level.

Although human beings have only two legs, it's just as important that they are the same length. If one leg is shorter than the other, the danger is not a wobbly surface, but a body out of line. The hip, the shoulders, even the internal organs are thrown out of position, as the body tries to compensate. The patient may suffer sciatica, low back pain or hip pain.

Quite often, the chiropractor finds that the underlying cause of the backache or other problem that brought the patient in is just that kind of imbalance: leg length inequality. The aim then is to level the sacral base, the foundation of the spine. Most often, this is accomplished with lifts for the shorter leg. X-rays may be used to monitor progress. Spinal adjustment can ease discomfort. Presented as a public service by **Belton Chiropractic, 325 N. Main St., Belton 254/933-2273 (CARE); M-W-F 9 a.m.-1 p.m. & 3-7 p.m.; Tues. 9 a.m.-1 p.m.**

Let First State Bank of Temple help you step up to something that works for you. Something that fits your family and your lifestyle.

At FSB, we believe in *Friendly Style Banking*, banking that understands the needs of growing families. It means that we hear you when you tell us that you need a vehicle that can get your kids to school, pull a trailer and still look nice when you get to town on a Saturday night. You see, you'll probably be talking

with someone who's got the same concerns. Some banks might not see the importance of having 4-wheel drive on the family vehicle, but we know how handy that can be when we've had three inches of rain and it's two miles from the house to the highway.

Ladies Auxiliary gives

LADIES AUXILIARY PRESIDENT MARGE KIRKMAN is shown above (center) presenting two of the many grants recently approved by the Ladies Auxiliary of the Salado Chamber of Commerce.

A check in the amount of \$1,200 was given to Salado Chamber of Commerce President Bea Stewart, for the Citizens on Patrol program that is a volunteer force to supplement the Sheriff's Department in the village. The COPS organization makes routine patrols throughout the business district as well as Mill Creek and other areas of the community.

The second grant shown above being presented to Ken Clapp, Chairman of the Board of Directors of the Salado Civic Center was in the amount of \$2,000, which the Auxiliary has been donating to the Civic Center over the past several years to be applied to the maintenance and operation of the building.

Both Stewart and Clapp expressed their deep appreciation to President Kirkman and the Ladies Auxiliary for their hard work through the year to raise funds that are in turn immediately passed on to a number of important organizations that provide special services to the citizens of Salado.

Other groups that will be assisted this year include the Salado Volunteer Fire Department, Salado Public Library, Project Graduation at the high school, The Salado Village Artists and the Woman's Choralé.

President Kirkman noted that the Auxiliary's total grants will exceed \$8,000 this year. The bulk of the group's funds come from the always successful "Christmas In October" program that attracts visitors from around the State and features holiday suggestions from the various stores in Salado as well as a sale of the finest baked goods found in Texas.

Salado Postmaster Jim Lee was sworn into office by Vaughn Musgrave April 1 in front of the Post Office on Main Street.

Salado Postmaster inducted

Jim Lee takes oath of office April 1

by John Eubanks

Jim Lee was sworn in as Salado postmaster before a gathering of family, friends and fellow postal workers outside the post office on a warm, sunny April 1.

"This is a special day for me. I appreciate you all in coming out," Lee said, noting that it was the first time in three stints as a postmaster that he had a swearing-in ceremony on-site.

He was sworn in by his supervisor, Vaughn Musgrave, manager, post office operations, CENTX, San Antonio district.

"He's good to work with and does a good job," Musgrave said, pointing out Lee's association with the National Association of Postmasters.

Lee served as president of the organization two years ago and is a member of the association's National Postmaster Representation Committee.

Lee came to Salado last September from DeLeon, Texas, where he had served as postmaster since Jan. 1997. Prior to that, he served as postmaster of Gordon, Texas, for 18 years. He began his postal career in 1973 at Weatherford.

Lee was accompanied at the swearing-in by his wife, LaJuan, and one of his daughters, Lisa.

Several area postmasters attended the ceremony, as did former Salado postmaster Ida Pinkard. She served as postmaster during 1986-92 and oversaw the move of the post office from its former site (which now houses Wells Gallery) to its present location on North Main Street. The current post office was dedicated in 1988.

The volume of mail through here has grown considerably since that time.

"This community is growing by leaps and bounds," Pinkard said.

She retired from the U.S. Postal Service after her last year at Salado, and lives in Waco.

Also attending the ceremony was Boots Brizendine,

postmaster of Jarrell, who oversaw the Salado post office before Lee took over.

After the ceremony, a reception was held inside the post office as event-goers and customers alike partook in cake and sweet red punch.

New county map books are here

No more wrestling with a stack of folded maps . . . or, needing a magnifying glass to locate a street address. No more hassles finding clients, delivery stops, or that Saturday birthday party. Not if you are driving in Bell County and using the new Bell County Map Book.

Just released by True North Publishing, this handy spiral bound book is basically an easy to read 'atlas' of this area. It contains 134 pages of detailed maps covering all of Bell County plus Fort Hood and Copperas Cove and is completely indexed with over 6,000 street and road listings. It also includes several helpful "overview" type maps that incorporate zip codes and zip code boundaries. From Temple through Killeen over to Copperas Cove or from Ding Dong up to Moffat and back down to Bartlett.

Locally, The Bell County Map Book is available for \$27.95 at all **Perry Office Plus** locations or can be ordered direct from True North Publishing by calling 1-830-885-4668.

Win a popular Beanie Baby!

This is your chance to win a popular Beanie Baby and support the local COPS program at the same time.

Tickets are now available at Heirlooms to win a chance at the very collectible Princess Di Beanie Baby. According to owners Paul and Jean White, the Princess Di Beanie Baby is currently listed for retail at approximately \$200-\$400.

Tickets may be purchased for \$1 each at Heirlooms. Proceeds will be given in support of the Salado Citizens On Patrol.

The winner will be announced May 31 and need not be present to win.

Spanish Club offers scholarship at SHS

The Salado High Spanish Club is accepting applications for the Spanish Club Scholarship given to a graduating senior who is also a Spanish Club member.

The Spanish Club awards the \$500 scholarship each year.

Interested members need to see Spanish Club sponsor Yvonne Harmon to pick up an application. There are six requirements necessary for application completion:

1. Excellence of character and moral judgment.
2. Academic standing in the top 25 percentile of the class.
3. Participation in campus activities.
4. Community involvement.
5. Honors and awards attached to application.
6. 500-word essay: Why I feel that I am deserving of the Spanish Club Scholarship.

Applications must be turned in by April 30 to be considered for the award.

Thanks given for help with Tucker benefit

Dear Editor,

I would like to thank the generous people of Salado who supported our recent Bake Sale for Wesley Turner. Over \$650 was raised for the Tucker family.

In particular, I would like to thank Mrs. Salisbury and her homemaking classes, Mrs. Tubbs, and the ladies in the cafeteria who all helped bake for the sale. I would also like to thank Mrs. Ribeiro and Mrs. Britt for their help in organizing the sale.

Sincerely,

Carlinda Rex

Spanish Club making plans for annual trip

The Salado High Spanish Club is planning to take its annual trip to Harbor Water Park in Arlington May 9.

The students have worked all school year to qualify for the trip.

Members were required to sell Spirit Links, help with the adoptions of a local family during Christmas, assist in the making of the football run-through sign and assist in the Spanish Club Valentine Ball.

Those members who have

helped in these areas are qualified to go. The tickets are \$16.95 each and must be paid for by April 15.

For more information, contact Harmon at Salado High.

Last chance for Splendor in Spring

Learn more about Sanctificationists 7 p.m. April 14

Reservations for the Salado Public Library dinner dance have been arriving daily. To assure your reservation, finalize your plans and mail or take your check to the library by April 8. You may make your own seating arrangements by calling the library at 947-9191 or by including the names of your dinner companions with your check.

The dinner menu offered by Suzy Epps of Inn on the Creek consists of savory cheese cake with fruit and French bread, cream cheese with jalapeno jelly and crackers, marinated vegetables, mixed greens with oranges and grapefruit with raspberry vinaigrette, chicken piquant with mushrooms, beef tenderloin with shallot sauce, garlic mushroom potatoes, sauteed vegetable melange, coconut tarts in phyllo pastry, fresh strawberries with Grand Marnier sauce and chocolate truffles.

Jack's Barn will be deco-

rated with flowers to reflect the theme of the evening, "Splendor in the Spring." Les McCollum and Richard Teeler of Hilltop Country Cottage Gardens, John Adams of Simply Salado, and Lynn Epps of Inn on the Creek will work their magic to produce this springtime fantasy. Deanna's Floral Creations will provide boutonnieres for the hosts. Table decorations by Patty Campbell and Mary Lou Williams, library volunteers, will enhance the effect.

Underwriters for the dinner dance are Brookshire Brothers, Centrovision, Compass Bank, First State Bank, Sprint, and Texas Utilities.

For reservations mail your check for \$50 each to the library soon as seating for this special occasion is limited. \$25 dollars of this goes to the library, a nonprofit organization, so that part of your check is tax deductible. Come join us for an enjoyable evening.

"Who were those women?" is a question asked when the name "Sanctificationists" were said to be one of a group of utopian societies that flourished in the 19th century.

And guess where the Sanctificationists lived? In none other than nearby Belton, Bell County, Texas, leading to national familiarity with the name of our county.

What started as a prayer group evolved into a communal home for a group of women and girls. The spirit of religious unity that pervaded the group inspired the sharing of material resources among the women.

Men were shut out and marriages became intolerable. Led by Martha McQuirter, who claimed to have received a direct revelation from God, women flocked together, and this led to the formation of an independent women's economic and domestic community.

The rest of the story of the Sanctificationists will be told by Stephanie Turnham, executive director of Bell County Museum, at a meeting of members of Salado Historical Society at the Civic Center at 7 p.m. April 14.

Members are urged to attend, and visitors are welcome. There is no charge for this program. Refreshments will be served.

For more information, call MaryBelle Brown, vice president for programs, at 947-5331.

Boy Scouts

FROM page 12A

Store 10 a.m.-4 p.m. April 18. The Scouts will be selling and making the signs while you grocery shop. You will be able to take them home that day. Each sign sells for \$15. Two types of reflective signs are sold. One type is 6"X18.5" with luminous numbers on both sides that can be nailed to a mailbox post, fence post, etc. The other sign is 5"X14", with luminous numbers on one side only and can be attached horizontally or vertically to the house or a post. If you would like to place an order, fill out the attached form and mail it to Boy Scouts, 11222 Salado Heights, Salado, TX 76571 or if you have any questions, please call the Boy Scout Den I Leader, Rolly Correa at 947-0598, or Assistant Leader Mike Foster at 947-9171. "Thanks for supporting the Salado Volunteer Fire Department and the Boy Scouts of America," says Troop Leader Rolly Correa.

Charlotte and Dale Douglas (center) cut the ribbon on their shop, Angel Inn on Rock Creek Drive.

Angel Inn cuts ribbon on gift shop

A ribbon-cutting was held March 27 at Angel Inn gift shop on Rock Creek Drive in Salado.

It used to be the location for Horsefeathers gift shop, which moved next door.

Angel Inn offers angels, floral items of all kinds, garden items, antiques, bath and body items, a mixture of seasonal and specialty items and indulgences of all kinds.

It also offers a specially commissioned watercolor print of Main Street Salado by artist Verne Hersberger, with two more prints to follow this year.

The shop opened March 1 under the ownership of Charlotte and Dale Douglas.

Charlotte is a registered representative in mutual funds and insurance. She has a master's degree in counseling ("very helpful," she notes) and is the

former Installation Volunteer Coordinator for Fort Hood.

Dale is a nurse anesthetist at Darnall Army Community Hospital.

"He is my chief motivator who is always ready to do anything for this business," Charlotte said. "He even made the signs for the shop and does some calligraphy and carpentry work. He's amazing."

Opening a shop was always a dream of Charlotte's.

"Years ago I had a home-based business that I closed because I was working full time and going to school full time, but it had always been my dream to operate a shop," Charlotte said.

"Then last year my husband Dale and I purchased this property and soon thereafter, Dale started encouraging me to open a shop. The concept of Angel

Inn started growing into reality.

"The time I spent searching for items to carry, creating floral arrangements and making displays for the shop is absolutely delightful."

She even has her personal motto stenciled on the wall in the shop:

If you're not having fun, you're not doing it right.

"While I wasn't having fun at my previous job as a registered representative selling mutual funds and insurance, I sure am now."

-- John Eubanks

Angel Inn is located at #2 Rock Creek Drive (east of the Main Street walk bridge). It's open every day, 10 a.m.-5:30 p.m., except Tuesday.

The phone number is 947-0240.

Buddy Carlton, actor, singer, and dancer, will appear prior to off-off-Broadway in a one-man-showcase entitled *How To Write Your Own Obit* by Raymond Carver. The show will premiere at Salado in the Meadows Auditorium of the Salado Civic Center 7 p.m. April 15. Admission is \$12.50 per person, as a fund-raiser for the Salado Chamber of Commerce Pace Park project. Buddy's photograph used with this article is like photos published on obit pages in newspapers; that is, the best picture available of the deceased. Obviously, Carlton isn't deceased yet, but he's chosen this 10-year-old pbest photo rather than an up-to-date one because it's the best one he's got, illustrating his sense of humor and irony.

The full-length show has been written by Carver, a resident of Salado, whose *Ain't Nobody Loves You Like A Mama But Your Mama* has been produced off-Broadway and whose *Catch As Catch Can*, *Texasity*, and *Family Reunion* have been staged in Hollywood. Carver also pro-

duced and directed an award-winning musical comedy by Rick Smith, *Sideshow*, in the Kennedy Center in Washington D. C. in 1978 featuring Buddy Carlton in a show-stopping role.

Carlton, a native of Texas, currently lives in New York where he appears in improvisational theatres, industrial shows, and most recently, in a two-character show off Broadway last November, *The Two of Us, Together Again*. He is a member of the Screen Actors Guild, and he has performed roles in *Dracula*, *The Cherry Orchard*, *Pierre Pathelin*, *Man of La Mancha*, and *Sweet Charity*. A seasoned actor/singer/dancer, he is especially adept at comedy characterizations playing multiple roles. Carver has researched and written the material for *How to Write Your Own Obit* to fit him like a floppy glove. Titles of various numbers are, "Life & Times, Liking Your Uncle is Optional, She Hit Me First, Sitting Together in Church, Miss Flossie & Aunt Eula, To My Son From His Dad, and The Berkley Homeowner"

Buddy Carlton

Tickets go on sale April 6 and may be purchased on a first come-first served basis at the Salado Civic Center, 8 a.m. to noon, 1-5 p.m. or from any Chamber officer. *How To Write Your Own Obit* will be performed only once for an audience no larger than may be seated comfortably in the Meadows Auditorium.

Community Builder

Masons to bestow honor on McCracken

Salado Masonic Lodge #296 has announced the recipient of its Community Builder Award: Saladoan Jim McCracken.

The Masonic Lodge will present McCracken with the Community Builder Award during a luncheon at noon April 24 at the Salado Civic Center Meadows Auditorium.

Tickets are \$6.50 for the catered barbecue luncheon. You can reserve your tick-

ets by mailing payment by check or money order to Salado Masonic Lodge, P.O. Box 23, Salado, TX 76571 before April 20. Your tickets will be reserved for you at the door.

"We take great pride in the contributions our members made in the founding of this country and state," said Fred McAferty, master of the Salado Masonic Lodge, "Men like George Washington, Ben Franklin, Stephen F. Austin

and Sam Houston, to name a few."

"We are likewise proud of the contributions our members are still making today, but we as Masons recognize that there are countless individuals, who, for whatever reason, have not become members of our organization, yet who possess this same kindred spirit of devotion to the service of our fellow man" McAferty said. "These individuals have distinguished themselves by their unselfish efforts. They have used the same moral and ethical precepts that our Order teaches, and through their contributions and sacrifices, have helped to build a better world for us all."

"It is for this reason that the Masonic Grand Lodge of Texas has established the community Builder Award. It is the highest award that a Lodge can bestow upon someone outside of its membership to recognize unselfish efforts to build a better world for us all," McAferty stated.

David B. Dibrell, Grand Junior Warden of the Grand Lodge of Texas, will present the award to McCracken.

Divisiveness on college campuses indicative of problems in society

by **Tim Fleischer**
Editor-in-Chief

Ruth Simmons, President of Smith College, said that one of the problems of diversity in today's culture is that "you can't come down on any side of any issue, because you might offend one group or another."

"Let's offend someone. Let's give young people a way of understanding the effects of their behavior," she said.

Dr. Simmons discussed Factionalism on College Campuses April 5 as part of the Institute for the Humanities at

Salado series of lectures on Civility.

An African-American woman, raised in rural East Texas and urban Houston, Dr. Simmons experienced firsthand the integration of college campuses and the effects of Affirmative Action.

"The rhetoric of the country is that everyone can succeed if given the opportunity," Dr. Simmons said. "I believed this rhetoric, even though I was poor and was called 'nigger' growing up."

"Even though I did not go to the right schools growing up and even though I was poor and black, I was smart as all get-

out. Smart enough that someone was willing to take a chance on me and provide the opportunities to me. And given the opportunity, I have succeeded," she said.

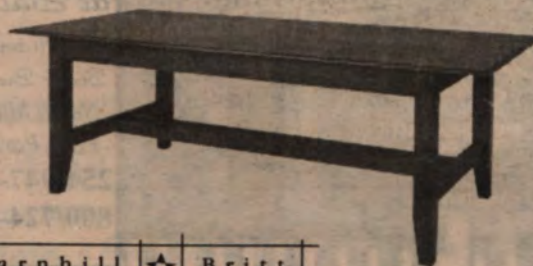

The opportunity afforded Dr. Simmons and many other Blacks and Hispanics is eliminated by referendums such as Proposition 209. "Proposition 209 will eliminate opportunity for millions of worthy minorities," she said. "If you think things are bad now, just wait until you have millions of young people who don't believe the rhetoric of this country, who don't have here."

The current backlash against affirmative action in colleges and universities may be traced to early problems of integration on campuses, which resulted in two warring factions: the Old Guard and the New Comers.

The New Comers, namely women and minorities admit-

ted after World War II, "attacked the theories, courses and privileges of the universities, using the weapons of derision and righteous indignation."

The Old Guard, Dr. Simmons said, utilized "tar and feathers" in their fight to keep their positions as the well-entrenched, blocking new ideas and different opinions.

Dr. Simmons recalled a colleague at Princeton, a member of the Old Guard, lamenting the new "open" campus. "We didn't used to have this problem of searching and advertising a position, giving all these people a chance to apply. All we had to do was pick up the phone and call our friend at Harvard," Simmons recalled,

adding that "It was an interesting thing to say, and very odd to say it to me."

The Old Guard laments the "good old days when everyone spoke the same language, when everyone went to the same schools and belonged to the same social clubs."

New Comers often bring with them the attitude, "Those old devils don't want us here. We'll show them. We'll shove our ideas, our culture, our perspective down their throats until they choke," Simmons said.

"Given these attitudes, you have a recipe for incivility," she added.

A possible remedy to the incivility on college campuses was presented over 25 years

ago by Stanley Kelley. Writing a report for Princeton University, Kelley suggested that an office of mediation be created to carve a common ground between the different competing forces on campus. This would help the University to make the transition from a traditional campus to a modern campus.

"It was quickly rejected," she said, adding that recently, the ideas presented were adopted at Princeton.

"Princeton now has an ombudsperson to hear these complaints and try to abate the anger between the Old Guard and New Comers," she said.

Another problem with the integration of college campuses was the failure to set any standards. "There were no norms for interaction," Dr. Simmons said. "No one told the Old Order that he needed to change because society needed him to change to better society. No one told the New Comer that behavior which is out-of-bounds causes others to harden their position, making it difficult to advance anyone's theories or beliefs."

"We must teach young people that they are not entitled to membership in a civil society unless they are willing to abide by the rules of that society," Dr. Simmons said.

"And I'm not talking about whether a young person is inventive in their dress," she added. "My son has dreadlocks. I don't care if he has dreadlocks or not. I care if he is of worth and is decent to other people."

And to teach this to young people, we must begin not on the college campus, but in the first grade, Dr. Simmons said.

And at that level, she said, "The best thing we can do is to get everybody out of the classroom and allow the teacher to run their classrooms."

Brunsons are Alumni of Year

At the recent Annual Winter Banquet held by the Central Texas Chapter of the Baylor Alumni Association, Tom and Jean Brunson of Salado were announced as the Alumni of the Year. They were presented a plaque and a photograph of Baylor's Pat Neff Hall at night with the moon in the background.

Mr. and Mrs. Brunson met at Wakiki Beach in Honolulu, Hawaii, when they were both Baylor students. Thomas Clyde Brunson, Jr. of Houston, had graduated from Baylor in 1952 and was an officer in the United States Navy. Dorothy Jean Raven of Dallas was attending Baylor at the time. They were married on September 18, 1954. After his Navy service, Tom graduated with a Pharmacy degree from the University of Texas at Austin.

They moved to Dallas in 1959 and built, owned and managed numerous pharmacies in the Dallas area for almost 30 years. Jean also worked as a bank officer for many years. They attended Cliff Temple Baptist Church in Dallas and raised three children, Dr. Michael D. Brunson of Salt Lake City, Utah, Karen Landers of Choctaw, Oklahoma, and David T. Brunson of Plano, Texas. They have 9 grandchildren.

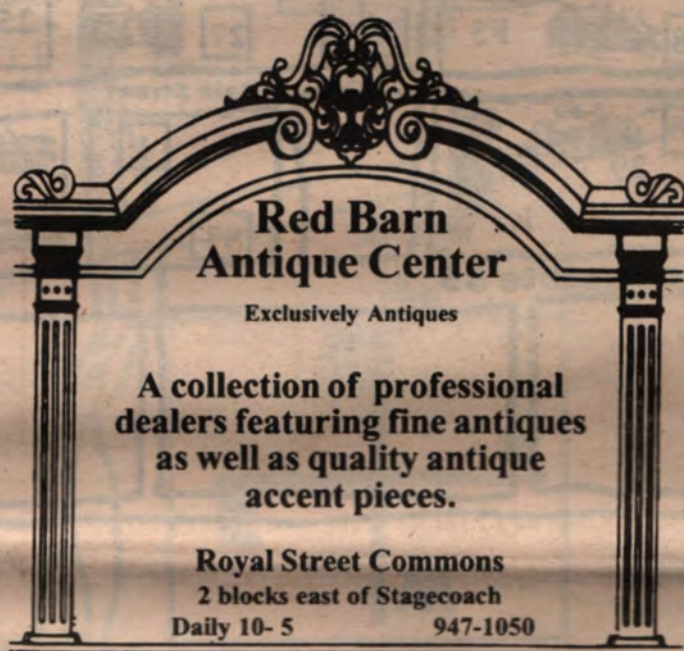

The Brunsons moved to Salado in 1987 and currently

Tom and Jean Brunson are pictured above with their son, David T. Brunson, of Dallas, who helped present the couple with the Alumni of the Year award.

attend First Baptist Church of Salado where they are both very active. Tom continued to work as a pharmacist until his final retirement this year. Tom enjoys golfing, biking, reading

and computers. Jean enjoys landscaping, sewing, walking and reading. Tom and Jean have been active supporters of Baylor University and the Central Texas Chapter.

Cowboy Church meets every Mon. evening

Belton Cowboy Church meets at 7 p.m. every Monday at the Oxbow Steakhouse and Barbecue at 2801 IH 35 South, next to the Bell County Expo Center.

Susan Adams, one of the event organizers, invites everyone to come and fellowship "Cowboy style."

Cowboy Church is a part of Cowboy Ministries, which was organized to provide non-demoninational church services for cowboys.

"Cowboys have a different schedule than other people," Adams said, noting that cowboys usually work or travel on weekends.

Belton Cowboy Church began the first week in March. Musical entertainment is provided.

Local college students honored

Veninga

Jennifer Elisa Veninga, daughter of Mr. and Mrs. James Veninga of Salado, has been named to the Hyer Society at Southern Methodist University. Veninga, a sophomore majoring in religious studies and minoring in women's studies, was one of 30 students inducted into the society at a banquet on February 22.

The Hyer Society was named after SMU's first president, Robert Stewart Hyer, and is the most prestigious academic society on campus.

A student selected for membership must have a cumulative grade point average of 3.85 or higher (on a 4.0 scale), must be recommended by faculty members and must write an essay on an assigned topic.

SMU is a private, comprehensive university located in Dallas. It has an enrollment of more than 9,700 students and a full-time faculty of nearly 500. SMU offers undergraduate degree programs in Dedman College of Humanities and Sciences, Meadows School of the Arts, Edwin L. Cox School of Business, and the School of Engineering and Applied Science. Graduate and professional programs are offered in these schools and in Perkins School of Theology and the School of Law.

Brent

Rachael Elaine Brent, of Salado, earned a place on the President's Honor Roll for the Winter Quarter at Texas State Technical College (TSTC) in Waco.

Brent is a student in the Computer Networking and Systems Administration program.

The President's Honor Roll recognizes the scholastic achievement of students with a perfect grade point average of 4.0.

As the largest residential technical college in the nation, TSTC Waco offers over 40 exemplary instructional programs ranging from advanced manufacturing in electronics and laser electro-optics to aerospace and information/presentation technologies.

Texas State Technical College in Waco, with an extension in Marshall, is part of the only state-supported technical college system in Texas. Other campuses are located in Harlingen and Sweetwater. For five consecutive years, TSTC Waco has produced more graduates earning associate degrees in engineering-related technologies than any other public two-year college

in America, according to *Community College Week*. With more than 40 instructional programs in critical and emerging technologies, TSTC is prepar-

ing a work-force to meet the demands of industries and businesses. For more information, call toll-free 1-800-792-8784.

HILL COUNTRY RANCH

572 acres of gently rolling hills offer breathtaking views and native game, including white-tailed deer, dove and turkey. The completely-fenced property features an older rock house, barn, working pens and one well with a windmill and storage tank. 30 minutes from Kerrville and Fredericksburg.

THE HOMEPLACE

Properties by Larry Sands is pleased to present **THE HOMEPLACE**, a highly restricted development in the heart of the Salado Historic District.

The Bluebonnet has recently been completed by Drews Custom Homes. This early-Texas style home represents the much sought-after lifestyle of yesteryear and reflects proportions, detailing and simplicity of true classical architectural styles... the best of yesterday built better today. Five other homesites are available as well as other early-Texas home plans.

Free seminar on knee, hip pain

"The Good News About Knee and Hip Pain" is the title of a free program at 9:30 a.m., Tuesday, April 14, in the Foster Room, at the Salado Civic Center.

Michele Konecny, a registered orthopedic nurse from the office of Dr. Robert L. Allred, will conduct the program.

"If you are over 55," says Ms. Konecny, "and have knee or hip pain, stiffness or swelling, chances are you have arthritis. The good news is that many treatments are now available to control these symptoms, allowing you to move easily and without pain once again."

For more information or to make reservations, call Kristi at (254) 628-8742.

**40 TAE students
participate in
Science Fair**

DEAR EDITOR:

Last Saturday 40 students from Thomas Arnold Elementary School participated in the 1998 TAE Science Fair. Students designed and executed experiments that ranged from mechanical engineering to which toilet paper breaks down the quickest (notice: stay away from Army issued products!).

As one of the fair's sponsors, I would like to thank all those who participated and supported the efforts of our students. Mr. Robert Little, fourth and fifth grade science teacher, Mrs. Betty Gregurek, GT and Technology teacher, and Mr. Rod Stockstill, Principal at TAE, are directly responsible for the success of this year's fair.

Also thanks to Sandra Fritsch, Earlene and John Cook, and Linda Quirk of the fair Steering Committee, as well as all those who assisted them, for their hard work in coordinating the many events leading up to the fair. The committee began work in October to organize the Kickoff assemblies, the Student/Parent workshop, and the task of gathering information and volunteers. Miriam Ervi and the Salado Parent Teacher organization demonstrated, once again, great support for our Science Fair.

Local ABWA honors Woman of Year

The Chisholm Trail Chapter of American Business Women's Association met March 24 at Stagecoach Inn and honored Barclay McCort as ABWA Woman of the Year.

Each year an outstanding member is elected to represent the local chapter at the local, state and national level.

McCort serves as the club's recording secretary and has served as program chairman. She has bachelor's and master's degrees from the University of Texas, and has completed post-graduate work at Texas Tech in higher education.

She is currently a nursing instructor and patient education coordinator, Central Texas Med-Center, Dept. of Veterans Affairs in Temple.

McCort was presented a trophy during the dinner meeting, which also honored business

associates and guests.

The meeting was called to order by Karin Oaks, and guests were introduced. The program was presented by Paula Jordan, a former New York's Sotheby Auction House

associate.

ABWA meets each fourth Tuesday at 6:30 p.m. Guests are welcome. The regular meeting place is Mill Creek Country Club.

Thanks, too, to our judges who did such an excellent job. This year's judges included teachers from Florence and Belton, a professor of education from UMHB, a research scientist from the Temple VA Hospital, a Quality Assurance engineer in the aircraft indus-

try, and the Director of the Scott and White Blood Bank in Temple. They were very impressed with our students' work.

Finally, thanks to the students. They put in hours of work on projects that were not for grades, not required as part

of a curriculum, and had to be completed outside the classroom. All of us associated with the fair are very proud of them.
