Salado Institute announces fall lecture series on literature

The Institute for the Humanities at Salado is presenting a seminar and lecture dinner series on "Literature and Truth: Mind and Heart." Each one of the four speakers is invited to open our minds and present deep ideas in a clear, direct, and understandable fashion.

The first speaker in the fall series is Diana Natalicio, president of the University of Texas at El Paso. Over the last two decades she has written numerous books, reviews, and articles on applied linguistics, specifically on the student who has difficulty speaking standard English. Natalicio will give a seminar and lecture on Oct. 7-8 in Salado.

The second speaker is Susan Wolf, chair of the philosophy department at The John Hopkins University. A distinguished scholar and teacher, Wolf recently returned from Australia where she was on sabbatical with a John Simon Guggenheim Memorial Fellowship with an appointment to study morality, happiness, and the meaning of life. Wolf will give a seminar and lecture on Oct. 21-22 in Salado.

The third speaker in the Institute's fall series is Joseph Brodsky, Soviet-born

poet and winner of the Nobel Prize in Literature in 1987. He also served as the U.S. Poet Laureate in 1991. Currently he lives in New York and teaches at Mount Holyoke College in Massachusetts. Brodsky's seminar and lecture are Nov. 4-5 in Salado.

The series of seminars and lectures will conclude with Max Cleland, statesman and public official. A disabled Vietnam veteran, Cleland served as head of the Veterans' Administration from 1977-1981. He currently is serving his fourth term as Secretary of State of Georgia. He will give a seminar and lecture on Nov. 18-19 in Salado.

This series of seminars and lectures received support from the Harris Foundation, Chicago; Potts & Sibley Foundation, Midland; RGK Foundation, Austin; Trull Foundation, Palacios; and the Texas Committee for the Humanities, Austin (a state program of the National Endowment for the Humanities).

Bell Co. Sheriff optimistic on catching Bo's Barn robbers

Bell County Sheriff Dan Smith said he is optimistic about solving a Sept. 20 robbery of Bo's Barn in Salado in which a man and two women took an undetermined amount of money and jewelry from the establishment and its customers.

Sheriff's Department responded to the call at 5:42 p.m. Sept. 20.

According to witnesses, a man and two women entered Bo's Barn bearing shotguns and pistols. They were wearing Halloween masks and other clothing

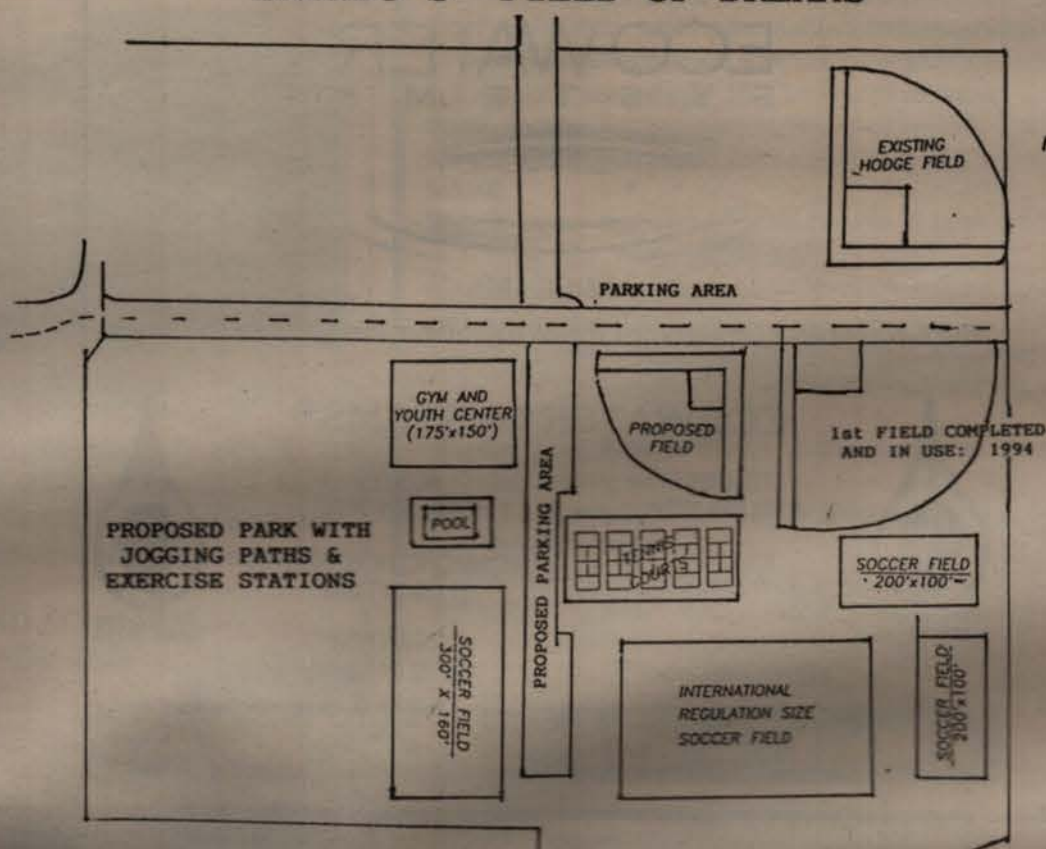

to disguise themselves. A shot was fired when the robbers left the scene as a warning to the victims not to follow them.

After the robbery, wallets of three of the victims were found along the road at Loop 360 and Highway 36.

"Initially, we thought this might be related to the robbery of the bank in Walburg," said Sheriff Smith. "We have determined that they are not related."

Smith added that he felt that the robbery is "an isolated incident."

SALADO'S "FIELD OF DREAMS"

Making Field of Dreams come true

The Salado Youth Association has begun work on two major projects at its Field of Dreams located off Rose Lane.

The first is the grading for a new international size soccer field for use by Salado's many soccer teams.

The second is drilling a water well and placing sprinkler systems on the present game fields.

The well is necessary because of the high cost to water the fields. The Salado Water Corporation for over a year allowed the SYA to use water at no cost, but this year, the SYA began to receive monthly bills over \$400 per month.

A water well, though expensive at first, will save hundreds of dollars each year while allowing the SYA to maintain the fields which have been built.

These two projects will require a large sum of money and are just part of the future plans for the Field of Dreams.

The SYA's goal is to develop a first class sports complex which can be used by all citizens of Salado, from 8 to 80.

The facility will include ball fields, soccer fields, a swimming pool, walking paths, and an indoor facility to include exercise and

aerobic rooms for the use of the citizens of Salado.

While the older citizens may not want to use the ball fields and soccer fields, they may want to utilize the walking paths, pool or exercise facilities.

The youngsters will no doubt enjoy the fields (as they do now), as well as the other parts of the Field of Dreams.

FAMILY FEST

SYA President Billy Pipes and Salado Youth Baseball President Larry McGregor have been involved in the Salado Family Festival Oct. 7, sponsored by the Salado Chamber of Commerce.

The Salado Family Festival will offer something for everyone. With the exception of the duck race, tug of war and dunking booth, all the events at the Family Festival will be free to the public.

Events for the children will begin at 11 a.m. and will include egg toss, three legged race, balloon race, sack race, and balloon stomp. Certificates for treats at Dairy Queen will be given to the winners in these events.

Salado Pottery will provide a hands-on Kids Art Table. Jim and Cindy Dale are owners of Salado Pottery on Main St.

The Salado Lions club will cook hot dogs for folks and there will be free Pepsi.

Active adults may want to compete in pick-up volleyball games. There will also be horseshoes and dominoes for adults.

For the very active adults, there will be a tug of war pitting neighbor against neighbor, friend against friend.

Civic Organizations, church groups, or businesses may want to enter the tug of war. Entry fee is \$25. The grand prize is a party for up to 18 at La Mansion de Salado, located on Main St. in the historic Tyler House, 947-5157.

Entry forms are available at the Salado Chamber of Commerce or *Salado Village Voice*.

Don't forget the first ever duck race down the Creek at 3 p.m.

Ducks are \$25 each, 5 for \$100 or an even dozen for \$200.

A list of prizes appears in another story in this issue of the *Salado Village Voice*.

Letter to Editor

Dear Editor:

The guest editorial by Commissioner Brown in the Aug. 30 issue of this newspaper deserves careful study by all readers. The issue is water quality and is, for the most part, unrelated to the incorporation debate. Whatever happens in regard to that possibility, we need good water to drink and a creek free of contamination.

The points made by Commissioner Brown are both accurate and commendable. The Commissioner has stated, publicly and privately, that he is neutral on the issue. That stance could be an invitation to our citizens to register opinions with him. If so, a bit of background may be in order.

For some years before mid-1991, Saladoans had detected what turned out to be gasoline fumes in a small building on the Salado Methodist Church site. The problem was solved in 1991, when it was discovered that the underground petroleum storage tanks at the closed service station across the highway were leaking. The (then) Texas Water Commission was notified. The Aquifer was found to be contaminated and cleanup was begun. Cleanup continues today. So far, this project has cost \$325,000, state money. OUR money. Expenses continue.

Many people in Salado may recall the great concern about a potential rock quarry which was viewed as a threat to the village. One fear was the possibility that the Edwards Aquifer beneath us could be damaged or contaminated or both. Accordingly, in a search for legal recourse, it was suggested that an application of the Edwards Aquifer Rules to the Bell County section of the aquifer could be useful, because whether that quarry project is dead or just slumbering is not known.

As the County Court did not, could not or would not take action, a petition to apply these rules to Bell County was widely circulated. Over 500 names were inscribed which has led to the consideration of the issue by the Texas Natural Resources Conservation Commission, as clearly described by Commissioner Brown.

Some irrefutable facts: The Edwards Aquifer is the

source of our drinking water and of the several springs that feed Salado Creek.

Threats to that water are real. Contamination has occurred.

Prevention of contamination is ALWAYS cheaper than correction.

EVERY OTHER COUNTY in Texas under which the aquifer exists has adopted the rules to protect the water from contamination.

Neither the aquifer nor contamination risk stops at the Williamson County line. But the Rules DO.

The TNRCC has considered this matter twice this summer of 1995, during which a fair amount of testimony was recorded. Meanwhile Commissioner Brown's editorial concluded with one remarkably accurate prediction. He anticipated that the petition would be denied (it was) and that the Commission would direct that more facts be collected by the TNRCC staff. Saladoans may wish to participate in this.

Meanwhile, some of the testimony was quite interesting. As Commissioner Brown advised: "Stay tuned".

Sincerely,
Bob Merrill

Dear Tim, Marilyn & Ken:

Such a nice tribute to our World War II boys.

Thanks for the salute to them. "Remember" will be cherished by a lot of us and our children for years.

Thank you very much
Mrs. Allen D. Mosley

Dear Editor:

I'm sending this letter to acknowledge four young men who attend Salado High School. Josh Goodnight, Garret Henning, Scott Farr, and Wess Tucker who displayed qualities that go above and beyond "the call of duty" as far as I'm concerned.

In the early morning hours of Sept. 5, these four young men witnessed an accident at my home in Harker Heights. A man driving under the influence ran his truck into the front of my house, entering the living room area. Luckily, nobody was physically hurt. The man fled the scene of the accident in his

one.

When he gets through counting the votes he will make a magnificent pronouncement to either help save Texans from themselves or prepare to legally battle the "east coast greedy financial schemers" who are supposedly planning to put old people out on the streets for failure to pay their homestead mortgage debts.

Welfare Reform Needed

Only those fuzziest of thinkers from the "far-away-land-of-liberal-ity" could tell us with straight faces that the current Federal-State welfare program is working well. Or working at all!

"It's broke and needs fixing" should be the battle cry of everyone - including those who supply the dollars as well as the millions on the receiving end of this dismal attempt to help our fellow citizens

Not to mention those lawmakers and regulators who have put together program after program that have done nothing but enslave the underclass while teaching the value of sloth, crime, ignorance and unhappiness.

All, save a few Americans, believe the right path to breaking the welfare cycle is to somehow put people to work thus returning dignity to a large segment of our population.

Current plans before Congress and the States include such worthy ideas as job training coupled with child care; job placement aid; reducing food and other aid on a dollar-for-dollar basis as the newly trained worker begins on-the-job earning so as to not allow welfare to be a better paying proposition than work.

Key to all this is the availability of "JOBS".

Herein lies the rub. Millions of American jobs, over the years, have been shipped overseas where wages average less than \$2.00 per hour.

You will recall that opponents of NAFTA predicted that success of the

program would be based on moving jobs south of the border where wages are low and profits high.

And to top all this offshore movement of labor, we continue to observe the results of the 1980's style consolidation of huge companies becoming even larger. Recent example is the colossus created by the merger of Chemical and Chase Manhattan banks.

This in turn will reportedly cause the layoff of thousands of skilled workers.

Then along came AT&T last week, bucking the trend and deciding that smaller is better and broke into three companies.

Result? Nearly 10,000 top flight technicians to be canned.

Colgate-Palmolive, IBM, the airline industry, huge industrial-military companies, the giant car makers and others - all plan to drop tens of thousands of skilled workers this year and next and the list grows by the week.

What happens to these newly unemployed men and women? They will, naturally enough, try to find equal paying jobs.

Failing in that they will drop down on the labor pay scale. Bills must be paid and even a reduced standard of living maintained.

As this movement of workers down the salary ladder continues, one cannot help but wonder what will happen if there are no jobs available when we get these post-welfare folks ready to be inserted into the world of work?

Will we create positions for them at state-federal expense? And won't that cost be as great as what we are faced with now?

We need to shift our thinking from just the philosophical, albeit correct, outlook that welfare is bad and working is good, to the practical side that requires creating jobs to make this back-to-work engine run smoothly, as we all get on board the bullet-train designed to whisk us into a better social and economic future as we close out the final years of this great century and prepare for the 21st.

As soon as you trust yourself, you will know how to live.

by Tim Fleischer
Editor-in-Chief

The Salado Eagles will face the top-ranked Thorndale Bulldogs 8 p.m. Sept. 29 in Thorndale. The Eagles won their first game of the season, beating Liberty Hill 14-7.

The Eagle dominated the Panthers throughout most of the game, especially during the first half, when they scored both touchdowns and held the Panthers to negative total yardage.

The Eagles scored first on a 43 yard pass from Joshua Goodnight to Tim Powers with 52 second left in the first quarter. Chris Frazier added the extra point.

Salado scored again with 5:39 left in the half, this time on a 36 yard pass from Goodnight to Jerome Peoples. Frazier added the extra point.

While these were the only two scores for Salado,

the Eagles threatened two other times in the first half, both times resulting in missed field goals of 40 yards.

Liberty Hill scored with 7:44 left in the game on a 25 yard pass from Jake Basery to Ryon Degenhardt. Jessie Ramirez kicked the extra point.

The Panthers threatened again in the final minute, but William Culp intercepted a Panther pass to end the game.

The Eagles dominated the game with 231 yards total offense, 126 rushing and 105 passing.

Goodnight was 4-10 for 105 yards and two touchdown passes.

Cody Hall carried the ball 11 times for 69 yards.

Liberty Hill totaled 129 yards total offense, just 10 yards rushing and 119 yards passing.

Leading the Eagle defense were David Berumen with 13 tackles and Jerry Ratliff, with 10 tackles.

The Salado Humane Society is offering a reward for information about an act of animal cruelty.

On the afternoon of Saturday, Sept. 16, three cats were savagely beaten to

death while their owners were away. These were gentle family pets who belonged to children.

If you have any knowledge or information about this horrible killing, which

took place at a home on Royal St. directly across from the Baines House, please call 947-5288 or Deputy Perry Moose 933-5311, Bell County Sheriff Department.

Temple Care Center completes 22-bed remodeling project

Temple Care Center in Temple recently announced the completion of a 22-bed remodeling project by Rainer Construction. The new wing, called Arcadia, is a special care unite designed to care for residents with Alzheimer's Disease and related disorders.

The soothing, secure environment of Arcadia allows residents freedom of movement throughout the unit, and access to a private secure courtyard for outside enjoyment.

Arcadia's family-centered approach to caring for people with dementia helps both the patient and family with the transition from home to the nursing center. Both individual counseling and a support group are available to families, as well as social events they can participate in with

their loved one. Success-oriented seven-day-a-week therapeutic, leisure and recreational programs enhance the quality of life for residents and are designed to increase self-esteem and provide opportunities for group socialization.

An individualized care plan is developed by Arcadia's interdisciplinary team and the resident's family and physician. The care plans recognize resident's strengths, as well as needs, in order to help them maintain their highest level of independent functioning for as long as possible.

Arcadia is self-contained and has a dining room, lounge, activity area and private and semi-private bedrooms. Arcadia is designed to enable each resident to live every day to its

fullest -- in a supportive, loving environment. And, the family can participate in caregiving to the extent they feel comfortable.

Temple Care Center celebrated the opening of the new Arcadia Wing on Sept. 19. Temple Care Center is located at 1511 Marlandwood Road in Temple.

Temple Care Center is part of Manor HealthCare Corp., the nation's leading nursing care organization for over 30 years. Manor HealthCare is a premier provider of long-term care, Alzheimer's care and rehabilitation services, operation over 160 nursing center nationwide. The Temple facility has been proud to serve the community as a member of the Manor HealthCare family since 1984.

TNRCC offers free seminar concerning petroleum storage tanks in Texas

It costs an average of \$126,000 to remove a single leaking petroleum storage tank and clean up the soil that surrounds the tank. Tank owners and operators who are required to remediate a site are eligible to apply for reimbursement from the Texas Natural Resource Conservation Commission's (TNRCC) Petroleum Storage Tank Remediation Fund.

But petroleum storage tank owners who have not registered their tanks with the TNRCC by December 31, 1995, will be ineligible for reimbursement in the event a spill or a leak occurs. Owners of unregistered tanks will be responsible for all costs of corrective action.

In addition, since deductibles on reimbursement claims will begin rising Dec. 23, 1996, storage tank leaks should be reported as soon as possible to avoid

additional costs and possible penalties. Also, any leaks reported after December 22, 1998, will not be eligible for reimbursement and the PST reimbursement program ends on Sept. 1, 2001. House Bill 2587, passed by the Texas Legislature this year, was intended to provide tank owners and operators with an incentive to quickly address their leaking petroleum storage tanks.

This fall the TNRCC will offer a series of 31 free seminars across the state to help tank owners determine whether they have tanks that should be registered, how to register them and how to apply for reimbursement for corrective action expenses. TNRCC staff also will answer questions about the Petroleum Storage Tank Program.

The TNRCC is targeting groups which may not know they will be affected.

These include small businesses with abandoned gas stations, investment companies or banks which have foreclosed on property with abandoned storage tanks, and school districts which store gasoline for their bus fleet. Gasoline and other hazardous substances that can leak from these tanks can pollute water resources. More than 17,500 spills and leaks have been reported to TNRCC and there are five to seven new reports every day. More than 11,000 tank owners have submitted claims for reimbursement for clean up costs associated these releases. Claims totaling \$281 million have already been paid.

A free seminar will be held 6-9 p.m. Dec. 11 at the Executive Plaza, Conference Center, Suite #1000 at 6801 Sanger Drive in Waco.

Square Dance Club hosting lessons in Temple

The Central Texas Lone Star Square Dance Club in Temple is hosting lessons at the Gober Party House (31st & Ave. H) Two intro-

ductory sessions are being held 7 p.m. Sept. 28 and Oct. 5.

Square dancing dates back to our colonial times

in the United States and internationally. These lessons are being taught by Bob Fisher of Brownwood, Texas and will include introductions to contra and line dancing.

Dress is casual and the primary need is simply a desire for a good time in a wholesome, family environment. Teens to seniors can enjoy this fun-filled form of recreation.

Persons attending the open introductory sessions will incur absolutely no obligations. If you desire more information, you may call Wayne or Mable Page at 773-7322 in Temple.

Jackson, Gunn exchange vows Sept. 23

Kristi Lynn Jackson of Frisco became the bride of Todd Ronald Gunn, also of Frisco in a double-ring ceremony Sept. 23, at the Salado United Methodist Church.

The bride is the daughter of Alice Wells of Salado and Ken and Phillis Jackson of Groom. The bridegroom is the son of Marie Burroughs of Oklahoma City, Oklahoma and Frank and Vonnie Gunn of Boulder, Colorado.

Grandparents of the bride are Jack and Bettye West of Groom and Fern Anderwald, also of Groom. The great-grandmother of the bride is Mrs. Elton Johnston of McLean. The bridegroom's grandmother is Mrs. Hazel Weitz of Lawndale, California. Grandfather of the groom is Roy Gunn of Salt Lake City, Utah, and great-grandfather is Albert J. Peck also of Salt Lake City.

Given in marriage by her father and mother, the bride wore a white silk shantung gown designed by Mori Lee. The gown featured a vee-neckline, fitted bodice and basque waist accented with embroidery and pearls.

Mrs. Todd Ronald Gunn

Matron of honor was LonAnne Magnuson, cousin of the bride, of Galveston. Best man was Aaron Van Baalen of El Lago.

Candlelighters were Ashley Jackson, sister of the bride, of Groom, and Adam Finck, son of Fred and Lenora Finck of Lubbock. Seating guests were Jamie Graham of Houston and Kevin Jackson of Over-

land Park, Kansas.

A reception followed at Mill Creek Country Club.

After a wedding trip to Jamaica, the couple will live in Frisco.

The bride, a graduate of Southwestern University in Georgetown, is a C.P.A. employed by Metrocell Cellular in Dallas.

The bridegroom graduated from the University of Oklahoma and is a software engineer with Bell Northern Research of Richardson, Texas.

A rehearsal dinner was held at the home of Bill and Shirley Culver, aunt and uncle of the bride, in Salado.

Many contribute to workshop

Dear Editor:

The Your Home/Your Haven Workshop on Sept. 19 was a winner! Thanks in large part to generous community support. The *Salado Village Voice* can claim quite a bit of responsibility for this, by allowing us a great deal of printing to advertize this meeting. Those who attended the meeting seemed to enjoy it very much.

We are grateful indeed for all the community support—it was wonderful! The Old Salado School Foundation generously "gave" us the Civic Center for the day. Our out-of-town visitors expressed, many times, their appreciation for what Salado has done in renovating this former school, creating a practical and beautiful asset for our village.

We had many supporters, all listed in our program, from Salado, Belton, Temple, and other places. Salado High School personnel lent us equipment for the speakers and allowed a

science teacher to bring about 15 students to hear part of the program. (Also Kim Berg, former SHS science teacher, brought some students from Rogers).

SUE WHISTLER, working with Brownings Courtyard Cafe, provided a light lunch during the noon hour. The rapid disappearance of the food told the delicious story.

SCPC members, with others, worked very hard to produce this successful event. Especially generous with time and effort were: Paul Boston, Kathryn Campbell, Sue Carter, Chester Critchfield, Martha Harper, Ruth Howe, Apple Johnson, Karen Kinnison, Jim Lee, B.J. McConnell, Joyce Pennington, Catherine Perrine, Millie Plyant, Lagreta Reed, Susan Reynolds, Elizabeth Silverthorne, Billy Smith, Mary Ann Smith, Sweet Briar Nursery, Mike Walsh, Sue Whistler, and

Jane Wilmer.

On display were informative and interesting exhibits by the Brazos River Authority (who also videotaped the program); Bell County Extension Agency; Bell County Engineers; Central Texas Council of Governments; Native Plant Society; Fletchers Book Store; Texas Parks and Wildlife; Summit Solutions of Dallas; and CITCOG's Salado Recycles trailer (outside!!)

We believe and hope that all who attended had fun, picked up some information that they were lacking, and discovered how to get more information about homes and yards when they need it.

We thank all who supported this effort and all who attended. Any comments or suggestions for improvement are welcome!!

Sincerely,
Pat Merrill,
Chairman SCPC

St. Stephen Catholic church hosts fall fest Oct. 1

Saint Stephen Catholic Church is sponsoring a "Fall Fest" Barbecue dinner by Clem Mikeska at the Salado School cafeteria, 11 a.m.-1 p.m. Oct. 1. Tickets are \$5 each.

Tickets will be drawn for the winner of a Magnavox TV and VCR, a Mountain Bike, and a 9x12 Tent. Tickets for the drawing will be sold for \$1 each or 6 for \$5.

The congregation that began with nine families in 1989 can boast that 83 families will see the completion of their new church building this year.

The proceeds from the event will help complete this major building project that they hope will be ready to use for Midnight Mass on Christmas Eve.

Once the new building is erected the mobile units will be removed.

First Baptist Church welcomes Dr. Kemp as interim pastor

Dr. Leroy Kemp will begin his tenure of services as Interim Pastor of the First Baptist Church of Salado 8:30 a.m., Oct. 1.

Dr. Kemp is no stranger to Salado having served in this same capacity approximately six years ago. He is well known across the Centroplex as the former pastor of the First Baptist Church of Belton where he served for 20 years, 1967-1987. He also serves as the Campus Chaplain and Professor of Religion for the University of Mary Hardin-Baylor.

Dr. Jean Kemp, wife to Dr. Leroy Kemp, is the Director of Curriculum and Instruction for the Belton

Independent School District. They live in Belton.

Rev. Mike Bergman, pastor of First Baptist Church of Salado for six and a half years resigned recently in order to enter another facet of service. A Pastor Search Committee has been elected by the congregation to find a replacement for Rev. Bergman.

The members of First Baptist invite you to come and enjoy with them the pastoral leadership and preaching service by Dr. Leroy Kemp. Services are at 8:30 a.m. and 10:50 a.m. and 7 p.m. on Sunday. A mid-week service is held on Wednesdays at 6:30 p.m.

Reavis hosts free health education program Oct. 3

The first in a series of free health education programs will be offered 5:30 p.m., Oct. 3, at Salado Medical Clinic, Suite 180, Salado Plaza.

"Family First Aid" will include the treatment of cuts and scrapes, sprains and strains, minor burns, sunburn, heat exhaustion, contact with poison ivy, and insect bites, according to Tim Scroggins, MD, Salado Medical Clinic family practice physician.

"We selected First Aid as an initial topic because it is essential for every person to be familiar with appropriate treatment of common occurrences, yet many people are not," said Sandra Ribbeck, MSN, RN, CFNP, the clinic's family nurse practitioner.

Salado Medical Clinic, a division of Reavis Health Systems, opened in August providing the Salado area with full family practice services. Hours are 8:30 a.m. to 4:30 p.m. Monday through Friday.

Program reservations and further information about Salado Medical Clinic are available by calling 947-9044.

truck. This is where the four young men came in. Josh, Garrett, Scott and Wess followed this man and while maintaining a safe distance, flashed their lights and called out to the man to stop. They took down his license plate number and told him that they were reporting this to the police. As a result of their actions, the man returned to the scene and waited on the police to arrive. The four young men waited for the police to arrive and gave their statements and offered their driver's licenses in case the police needed further information pertaining to the accident.

I just can't tell you what this means to me to know that there are still good kids out there and that they do the right thing when needed. These young men could very easily have just laughed this off and gone on their merry way, but they didn't and that makes all the difference.

As a middle school teacher and a mother, I am

proud of these guys. I don't know their families, but know that they would be proud to know what their boys did for me and my family. You "grow" great kids in Salado, TX!!

Sincerely,
Beth Danley

Dear Editor:

The Salado Humane Society wishes to thank everyone who helped make our garage sale a success!

The money collected will go to pay part of the veterinary bills owed and food for the many stray cats and dogs.

We thank Leah Buzzard for her tireless efforts aiding the defenseless animals, day and night, even though she has been very ill. Without Leah we would have no Humane Society.

We hope to have an organizational meeting soon and a Bake Sale in early October.

Come and join us we need Help!
