

Village creates Child Safety zones for schools, parks

By TIM FLEISCHER
EDITOR-IN-CHIEF

At their Nov. 21 meeting, Village of Salado aldermen created Child Safety Zones around schools and parks within the Village limits.

Ordinance No. 2024-24 states the following

“The Board finds and declares that sex offenders may pose a serious threat to public safety; and

“The Board finds that the recidivism rate for release sex offenders is significant, especially for those who commit crimes against children; and”

“The Board finds that restrictions on the proximity of sex offenders to schools or other facilities are a demonstrable way to prevent recidivism; and”

“It is deemed in the best interest of the Village for the health, safety, and welfare of its citizens that an ordinance be established to regulate child safety zones and distance restrictions for registered sex offenders within the Village,

The Ordinance creates Safety Zones of 1,000 feet around “a school, day care facility, playground, public or private youth center, public swimming pool, video game arcade facility, or other facility that routinely holds events primarily for the attendance of children. The term does not include a church.”

The Ordinance requires the Village to create a map

“depicting the child safety zones” and to review the map annually. The map shall be made available to the public at the Village Police Department and shall be posted on the Village website.

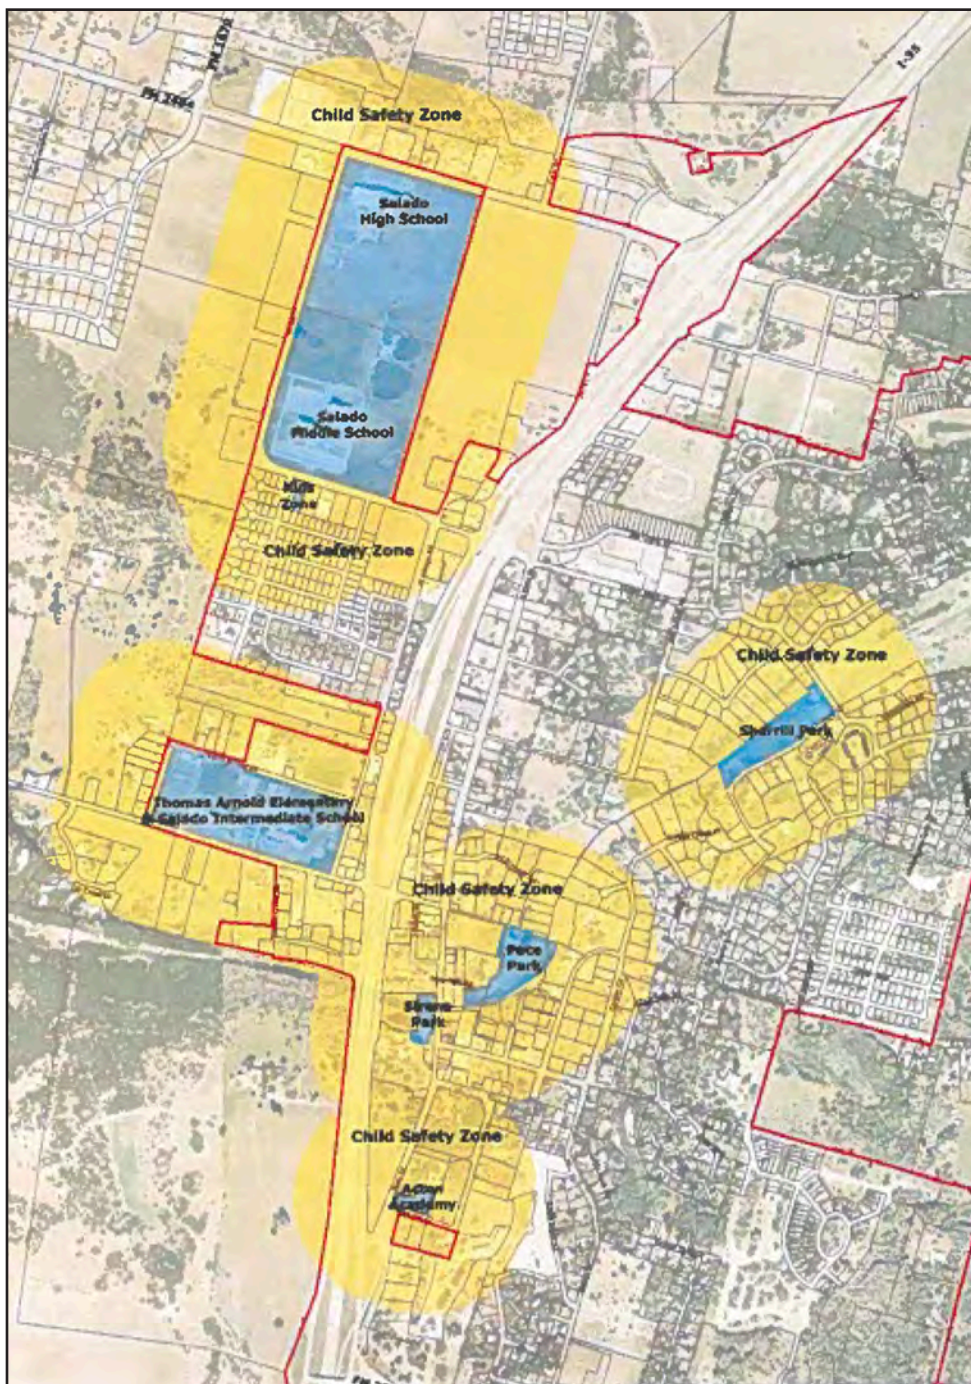

Affirmative defenses to prosecution is that the “registered sex offender was in, on or within 1,000 feet of a child safety zone for a legitimate purpose, including transportation of a child that the registered sex offender is legally permitted to be with, transportation to or from work, and other work-related purposes.”

The Ordinance provides for the following exemption from prosecution: “A registered sex offender who established residency in a residence within 1,000 feet of a child safety zone established before the effective date of this ordinance.”

The penalty for violation of the ordinance is \$500 per offense for the misdemeanor or violation.

The ordinance was unanimously adopted upon its second reading on a motion by Mayor Pro Tem Rodney Bell and a second by Alderman Zach Hurst.

Aldermen adopted a prohibited technology policy banning the use of TikTok on village owned technology. In 2023, the state legislature passed a law that state and cities adopt policies banning the use of TikTok on government-owned technology.

Above is a map showing Child Safety Zones in yellow of 1,000 feet around SISD schools, Acton Academy, Kids' Zone day care, Pace Park, Sirena Park and Sherrill Park.

In other business, aldermen did the following:

- Approved the amended plat of Mill Creek Springs Phase IV, Amended, Lot 1 & 2 Block 1 on a motion by Graham and second by Bell. 4-0.
- By resolution, the board agreed to hire Bickerstaff, Heath, Delgado, Acosta, LLC as bond counsel on an

as-needed basis on a motion by Bell, second by Graham.

- Denied petition for release from Extra-Territorial Jurisdiction from W. Blair Williams, President, on behalf of Fun Valley, Ltd., because petitioner did not identify themselves properly on a motion by Hurst and second by Graham.
- Approved the final plat

of the West Amity Gas Station at FM 1670 and West Amity Rd. on a motion by Graham and second by Hurst.

Acting as the Zoning Board of Adjustment, the aldermen approved a variance to the sign ordinance for a sign located at 21 N. Main St. The request was made by Bar 1859.

Christmas Cheer serves residents of Hidden Glen housing complex

The Salado Christmas Cheer group has announced its 2024 campaign to provide gifts to the underserved senior residents of Hidden Glen in Salado. This complex goes largely unknown in our community, with 50 units based on age and income restrictions.

“Most residents live alone on very tight budgets, many with health issues or some level of disability. Often they have no family with whom to share the holidays,” said Linda Blevins.

Salado Christmas Cheer is a non-profit volunteer group organized to address these needs. The members raise funds, source gift items and deliver bags during the holiday season.

Plans for 2024 gift items include practical gift cards to meet everyday needs, as well as cozy winter comfort items. Gifts in previous years included socks, caps, gloves, toiletries and plush throws.

This is the fourth year for this project. The core team includes Blevins and Karin Berg, both of whom have been involved since inception.

A Santa's Helper donation of \$50 will fill a bag. Silver sponsors of \$100 and Gold sponsors of \$200 allow the group to help even more.

Donations can be mailed to 3812 Chisholm Trail, Salado, Texas 76571. The organization has a Facebook page for more information and a link to make secure donations online.

Eagle Heights residents hit with high sewer bills

By TIM FLEISCHER
EDITOR-IN-CHIEF

At their Nov. 21 meeting, Village of Salado aldermen discussed the process of how new residents are accounted for on the sewer system in terms of billing and collections after they heard from a resident who was billed for more than \$400 in one month for wastewater service.

According to the Village website, the base rate for residential wastewater service is \$21.77 with a volume charge of \$8.71 per 1,000

gallons of usage. Residential usage is based on average water use for the winter months of November-February.

James Frenna said that the first surprise he got when he moved into his home on Eagle Crest Cove in May was when he got a water bill for 38,000 gallons of usage for his property which is 17,000 sq. ft. The bill was based on usage after landscaping had been installed and sprinklers were going off daily.

Then Frenna got a wastewater bill for \$410 in No-

vember.

“I talked to a neighbor and he got a bill for \$700,” Frenna told aldermen. Another neighbor's bill is \$29 per month.

“I calculated that I use about 2,000 gallons per month,” he said, adding that the wastewater bills for residences in the neighborhood should be similar in range.

Many cities provide both water and wastewater and issue bills based on meter readings.

Alderman Jasen Graham said that residential bills are based on monthly

average usage during winter months. Existing homes are billed on average water usage during the months of November-February for the previous year.

With new residences, however, there is no data to trace.

Village administrator Manny De La Rosa told aldermen that the village does not install wastewater meters. “It is very costly to put in a sewage meter,” he said. “That would be for heavy industrial usage.”

The village doesn't “have the kind of resources

to read meters,” he added.

Salado Water Supply does not offer a second meter for outside water usage, De La Rosa said.

De La Rosa also told aldermen that in reviewing the accounting for wastewater, he found that there were 38 accounts that had tied in but weren't paying for service.

He discussed the mechanism of how to add new homes that have tied in to the system to the billing process.

The issue, De La Rosa said, was that the village

was “not asking for wastewater application from the start from the builders.... Now as soon as we get a building permit, we will get wastewater application for service.”

He added that the Village will work with Salado Water to determine water usage on new properties so that by the third month “we can start billing.”

The builder will pay until the house is sold, at which time, the new homeowner will apply for a transfer of service.

Village of Salado sales tax rebate up 7.76% for November

The Village of Salado is among the eight Bell County cities to see an increase in sales tax rebates for November 2024, when compared to 2023.

The Village will receive \$81,488.89 an increase of 7.76% compared to last November's payment of \$75,648.37. For the year, The Village is running 6.67% over year-to-date payments in 2023: \$815,185.58 compared to \$764,193.90 through November 2023.

Three Bell County cities are running in the double digits ahead of last year-to-date: Nolanville (43.52%), Little River Troy (25.12%) and Morgans Point (15.26%).

Bell County showed a 3.39% decrease in sales tax revenues compared to the previous year. The County's November payment is \$3.04 million, compared to \$3.14 million last November.

The Village is one of three Bell County cities to levy a 1-cent sales tax, while seven other Bell County cities levy a 1.5 cent sales tax and Rogers levies a 1.25 cent sales tax.

The Salado Public Library District and Bell County each levy a half-cent sales tax.

For that half-cent tax, Salado Public Library District received a \$70,406.96 November check, which was 18.26% more than last November's payment of

VILLAGE OF SALADO, TEXAS NOTICE OF A RECONVENED PUBLIC HEARING REGARDING THE CREATION OF A PUBLIC IMPROVEMENT DISTRICT

Pursuant to Chapter 372 of the Texas Local Government Code, as amended (the "Act"), Village Board of the Village of Salado (the "Village") caused the publication of notice of a public hearing to have been held at the Village Board Chambers at 6:30 p.m. on October 3, 2024, regarding the creation of a public improvement district. The hearing was opened at that time and continued for reconvening at 6:30 p.m. on November 7, 2024. The hearing was opened at that time and continued for reconvening at 6:30 p.m. on November 21, 2024. The hearing was opened at that time and continued for reconvening at 6:30 p.m. on December 19, 2024, at the Village Hall Board Chambers located at 301 N. Stagecoach Road, Salado, TX 76571. At the reconvened hearing, the Village Board will accept public comments and consider the establishment by the Village of a public improvement district pursuant to a petition (the "Petition"), filed by certain property owners within the city limits of the Village (the "Petitioners"), requesting that the Village create Mustang Springs Public Improvement District (the "District") to include property owned by the Petitioners.

Time and Place of the Reconvened Hearing. The reconvened public hearing will be held at 6:30 p.m. on December 19, 2024, at the Village Hall Board Chambers located at 301 N. Stagecoach Road, Salado, TX 76571.

General Nature of the Proposed Authorized Improvements. The general nature of the proposed public improvements (collectively, the "Authorized Improvements") may include: (i) street and roadway improvements, including related sidewalks, drainage, utility relocation, signalization, landscaping, lighting, signage, off-street parking, right-of-way, and land acquisition; (ii) establishment or improvement of parks and open space, together with the design, construction and maintenance of any ancillary structures, features or amenities such as trails, playgrounds, walkways, lighting and any similar items located therein; (iii) sidewalks and landscaping, including entry monuments and features, fountains, lighting and signage; (iv) acquisition, construction, and improvement of water, wastewater and drainage improvements and facilities; (v) projects similar to those listed in subsections (i) - (iv) above authorized by the Act, including similar off-site projects that provide a benefit to the property within the District; (vi) special supplemental services for improvement and promotion of the district; (vii) payment of costs associated with operating and maintaining the public improvements listed in subparagraphs (i) - (vii) above; and (viii) payment of costs associated with developing and financing the public improvements listed in subparagraphs (i) - (vii) above, and costs of establishing, administering and operating the District. These Authorized Improvements shall promote the interests of the Village and confer a special benefit upon the Property.

Estimated Cost of the Authorized Improvements. The estimated cost to design, acquire, and construct the Authorized Improvements, together with bond issuance costs (including but not limited to the funding of any capitalized interest and reserve funds), eligible legal and financial fees, eligible credit enhancement costs and eligible costs incurred in the establishment administration and operation of the District, is Sixty Million Dollars (\$60,000,000.00) plus the annual cost of supplemental services and operation and maintenance costs, if any. The Village will pay none of the costs of the Authorized Improvements, supplemental services or operation and maintenance costs from funds other than assessments levied on property within the District. The remaining costs of the proposed improvements will be paid from sources other than the Village or assessments on property within the District, including funds from a Tax Increment Financing Zone, if any.

Proposed District Boundaries. The District is proposed to include approximately 1,105.07 acres of land generally located north of FM 2843 and northwest of the current intersection of Mustang Creek Rd. and FM 2843 and is approximately 5.40 miles west of I-35 on FM 2843, on the north side of the road. The District's location is more particularly described by a metes and bounds description available at Salado Village Offices and available for public inspection at the location described above.

Proposed Method of Assessment. The Village shall levy assessments on each parcel within the District in a manner that results in imposing equal shares of the costs on property similarly benefited. The proposed method of assessment shall be based upon (i) an equal apportionment per lot, per front foot, or per square foot of property benefiting from the Authorized Improvements, as determined by the Village, (ii) the ad valorem taxable value of the property benefiting from the Authorized Improvements, with or without regard to improvements on the property, or (iii) in any manner that results in imposing equal shares of the cost on property similarly benefited.

Proposed Apportionment of Cost between the District and the Village. The Village will not be obligated to provide any funds to finance the Authorized Improvements, except for public improvement district assessments levied on real property within the District, if any. All of the costs of the Authorized Improvements will be paid from assessments and from other sources of funds, if any, available to the Petitioners.

All interested persons are invited to attend such public hearing to express their views with respect to the creation of the PID and the Authorized Improvements to be made therein.

This Notice of Public Hearing is given, and the public hearing is being held pursuant to the requirements of the Act.

Jonah James intercepted a Lincoln Hossfeld pass for an 36-yard pick six at 11:14 in the first.
